- ♦ **Remember**, NYS now requires all children to have proper vaccines. If your child is not properly vaccinated, he/she cannot come to school.
- ♦ If your child is sick, please keep him/her home. According to the NYC Health Department, your child must be fever free for at least 24 hours before returning to school.
- ♦ It is crucial to make sure your children are at school on time. Studies have shown that students who are chronically late do not do as well in school as children who are on time.

- ♦ Dress Down Day – Friday, September 27th.
- ♦ The After School phone number is 347-810-7810

FROM THE PTO

- ♦ The following Friday, September 13th is our Welcome Back Barbecue. We hope to see everyone there. Volunteers are needed!

Dear Parents,

Welcome to a new school year! Only five minutes ago it was June, and summer vacation was about to start. Now it is September, and school is back in session. We appreciate your trust in us and your confidence that your children will receive a great education at GAI.

GAI is in a period of moderate change. We have a new administration, some new teachers, and a new 3K program. However, the essence of GAI remains the same. We believe in teaching the whole child. We believe that education is the way to your child's success. We believe that GAI is a unique family that we are all lucky to be part of.

If you have any concerns, please contact me at john.attanas@gai-edu.org. I am here for you, your children, and our school.

Yours truly,

John Attanas
