

## Position Announcement

### **PLUMBING INSPECTOR (part-time)**

#### **Village of Northfield, Illinois**

GovTemps USA is seeking candidates to fill a part-time Plumber Inspector position assigned to the Village of Northfield. Selected candidate will be an employee of GovTemps USA. Candidates must be available on 24 hours notice to respond to requests for inspections.

**About the Position:** The position is primarily responsible for residential and commercial plan review and inspections to ensure compliance with applicable plumbing and related codes. Successful candidate must be able to interpret and explain code requirements to residents, contractors, architects in a courteous, tactful but firm manner.

**Position Requirements:** A minimum of five (5) years plumbing experience as a journeyman plumber, plumbing contractor, or plumbing inspector. A current State of Illinois Plumbing License and Registration in good standing, as required by the Illinois Plumbing License Law (225 ILCS 320).

Experience with and knowledge of construction methods, materials, building codes and familiarity with construction plans are necessary. Preference will be given to candidates with municipal plumbing and building inspector and plan review experience.

**Selection Process and Compensation:** GovTemps offers an hourly rate of \$45-\$55. DOQ. Apply at once to [GovHRjobs.com](http://GovHRjobs.com). Candidates with questions are encouraged to contact Mike Earl, Senior VP, at 224-261-8366 or [mearl@govhrusa.com](mailto:mearl@govhrusa.com)
