To School Administrators:

Integrity Insurance, Inc. offers a scholarship fund for graduating seniors in Livingston Parish Schools. The award is available in increments of \$250 to one deserving senior at each high school.

It is the wish of the donor family that school administrators offer the application to ALL eligible graduating seniors in order for them to apply for the Integrity award. Please use the enclosed criteria listed in the eligibility requirements and qualities of integrity to make your selections for applicants. It is suggested that seniors be notified of the possibility of the award as soon as possible to give them the opportunity to work toward the community service aspect.

Please instruct all candidates to submit applications directly to Integrity Insurance, PO Box 909, Livingston, LA 70754 by the first Monday in April of each school year. Integrity judges will read and score the applications and determine a winner of the Integrity Award for each Livingston Parish High School.

Selected winners at each high school will receive a check for \$250, an Integrity trophy and a certificate. It is possible that runners-up will also be awarded certificates of recognition as per recommendations from the judges.

Presentation of the Integrity Award can be scheduled for the Seniors' Awards Programs at each school. It will be appreciated if each school will notify Integrity Insurance of the dates/times of the awards programs. We do not know at this time if a representative will be available to present the award, but we'd like the option as the time draws near. The Integrity Award Presentation Package will include the certificate, trophy and \$250 check.

Please notify us of your Awards Program dates so we can make timely deliveries of the award presentation package. All applications should be received by April 1, 2018. All applicants will be notified of results by May 1, 2018.

It is the belief of the Integrity Insurance family that **integrity is the quality of being honest and having strong moral principles; moral uprightness. It is generally a personal choice to uphold oneself to consistently moral and ethical standards. A person of integrity can be depended upon to do what is right in daily life and when someone approaches them in a time of need. Integrity is an integral part of leadership and citizenship.**
