Item 1 Discussion:

The team will practice all school day at Challenger Stadium and the booster club wants to pay for their lunches from Chick Fil A. Ways and Means Report

Sponsorship drive ends Oct 15 so that the new banner and signs for trailer can be ordered and in place before November.

All squads have brought in enough for a special treat of Steel City Pops. Currently are only \$6350 short of sponsorship goal.

Tamale sales will begin in November. Please advertise on social media to gain interest. A flyer will go out soon to include.

Mod Pizza fundraiser is Oct. 4, all day. Only the location on Hwy 96. Don't need flyer but have one on phone just in case. 20% of sales go to the booster club.

From the Floor

Mary D became concerned about school spirit after Meet the Wildcats night in August. She bought 80 bells for Booster Club to sell and to increase school spirit. Suggested cost: \$20. There are currently 60 bells left to sell.

Discovered that a few students who purchased were unable to bring them into student section. Tori will have discussion with Mr. Majewski about why.

Student section at football game is separated from band and dance teams. Ms. Wood prefers it that way because behavior from students can be inappropriate. It's a district-wide policy that Ms. Wood is very happy with because it helps her protect the Cavaliers.

Props

Rain is hard on the Prop Pop. After rainy games, Rob has to unpack all 50 seats in storage unit to dry so they won't mildew. Could Cavs add a couple of extra garbage bags to duffel to perhaps cover seats? Kudos to Mr. Martin.

Props for competition season will be a 4-car train.

From the President

Tori is waiting to hear from Hometown Heroes Park to get a date for the Father-Daughter even.

If anyone needs to add to the weekly email, send the info via email or text to Tori by Sunday afternoon.

Homecoming: New-News receive blankets from big sisters. Cost is \$35, paid by bigs. Reciprocal gifts should stay at \$35 cost.

Volunteers are needed for carnival booth. Names are needed ahead of time so that all are approved by CCISD and badges are printed.

Oct. 16 is craft night for those interested in helping to make 51 boot clip mums. (Clips are improved!). Meet at Martin home.

Kicks! Increase challenge to kick football buddies, etc.

Meeting adjourned at 7:44 pm. Motion by Janelle. Seconded by Elise.
