

**MEGAN KEEFER
NVHS BOOSTER CLUB FEATURED WINTER SEASON ATHLETE
GIRLS BASKETBALL PROGRAM**

Booster Club Reporter: When did you start playing your sport/how did you get introduced to it?

Megan Keefer: I started playing basketball in second grade because my older sister played and it looked like a lot of fun

Booster Club Reporter: Do you play any other sports?

Megan Keefer: For most of my life I played soccer but quit in 8th grade and focused on basketball

Booster Club Reporter: What has your sport taught you/what lessons have you pulled from it?

Megan Keefer: Basketball has taught me true personal connection and how the power of caring for each other can make such a different in how a team performs. Basketball is more than just a physical game, but it is incredibly mental.

Booster Club Reporter: What do you wish you knew when you were just starting?

Megan Keefer: There is nothing that I wish I knew at the beginning of my time in the sport. Basketball is a game of learning and I'm glad I got to do that to a full extent.

Booster Club Reporter: What quote/inspiration do you resort to when things get really hard?

Megan Keefer: Jeremiah 29:11 For I know the plans I have for you, declares the LORD, plans for welfare and not for evil, to give you a future and a hope. Trust in the lord at all times.

Booster Club Reporter: Where do you go from here? College plans?

Megan Keefer: I am going to GCU to study social work and hopefully one day travel the world and work with children in need.

Booster Club Reporter: Do you have a role model?

Megan Keefer: My biggest role model is my sister. She has shown me what it is like to walk by faith and trust God in all situations. She tore away any limits one may put on another due to age and has truly made the world her own.
