Spring is here, and with the renewal of the season comes the new Heirs of Northshield. Sir Melrakki and Baroness Jehanette have secured the future of our Kingdom.

The Spring Crown Tournament field was full of amazing fighters who fought for their consorts and to be the Heirs of Northshield. It was inspiring to behold the comradery and chivalry shown. The way that those who were not victorious on the day helped and cheered those who were just their opponents.

Windhaven was proudly represented on the field by two worthy combatants who competed in their First Crown Tournament. Master Hamish and Lady Birna were not only wonderful to behold (they were super fancy) but upon

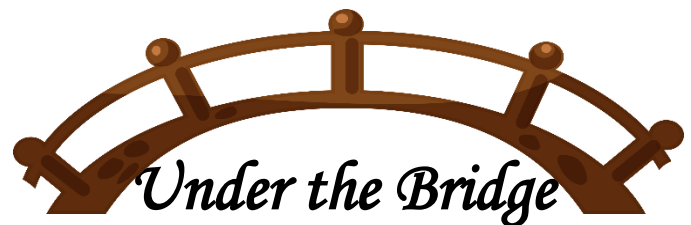

hearing Lady Birna heralded into Court as the Littlest Varangian just about broke my gigglebox. They both fought valiantly and hard in the Tournament. Summer is almost here. With that comes many events with camping opportunities. Everyone be safe and have fun as you travel our Kingdom and beyond.
