Greetings to all --

Well, another year has begun and I would like to thank you for the continued confidence you have shown in me by reelecting me as YOUR President for the 2018-2019 year.

We have just returned from National Convention and have so much to tell you at the October SEC. We brought home several awards for Department, local auxiliaries and individuals. There are several changes to the National By-Laws which will take effect pretty quickly. All of this information will be shared with you at SEC.

My theme this year is **“Keep Reaching.”** We all really “Reached for the Stars” last year and it shows with the awards won, totals turned in and projects completed. So let’s not settle – **“Keep Reaching.”**

My President’s Project this year is **Wounded Warriors Abilities Ranch** located in Pinellas Park. We will have, as special guests, the Founders of WWAR. I can’t wait for you to hear Mike’s story and see how he is turning a negative into a positive, not only for him, but for other wounded veterans.

I hope to see all of you at our October SEC (October 26-28). We will have our big School of Instruction which is designed to answer any and all questions you may have. This is also the meeting which you will receive all updated information from your Service Officers.

Please remember, Department Officers are here for YOU. **If it weren’t for YOU, there would be no US.**

Proud to be a member of the AMVETS Family,

Sherry Marecek

For those of you who attended National you learned of upcoming changes to National bylaws that will be covered at the October SEC. It was nice that we had a chance to have our voices heard. I would like to thank all the volunteers that made National in Florida a success. We are definitely a team! All preregistration checks for those who attended National and met the criteria were returned Saturday on the floor, for those that did not meet the criteria your checks were deposited on August 13th,

SEC is rapidly approaching so is the deadline for filing your 990's and mailing them to Department Headquarters. Let's make it 100% by 15 September.

At our SEC we will be voting on the proposed budget. The finance committee is working on this now to provide you with a balanced budget, please make sure you review this in your SEC Books.

Finally we will be having a Quarter Auction on Saturday to support our own PDP Dee Baggett as she raises money for her campaign reaching for National President 2019. Please come out and support this fundraiser. If you have any items you would like to donate or if you would like to assist please contact PDP Dee Baggett or myself. We would welcome any assistance

Hello Ladies,

Yes it's that time of the year again. Our first 2018-2019 SEC meeting will be here October 25-28, 2018. Let's get to work and start this year out with a bang!

Every Auxiliary has had to do some type of volunteer work! Now it's just a matter of reporting it. It would be nice to see every Local send a report to at least one of the five (5) Service Officers. So, Report! Report! Report! Our officer's are here to help you if you need assistance. Make sure you have all your **service reports** in to the **Service Officers by September 24, 2018** in order for **your totals to be printed in the October SEC book.**

LISTEN UP!!!!!!

Every Local should *try to attend this October 25-28, 2018 meeting, a lot of changes from NATIONAL will be shared.* These changes **will affect us all.**

Awards were received at National Convention! Several Department and Local awards were received. Madam President Marecek will announce the winners at our SEC. Since the National Convention was held in Florida the "Sunshine State", we really showed our true colors and "shined" at National!

Can't wait to see you all soon.

Greetings Ladies:

Summer is almost over which is really hard to believe. It is now time to start thinking about our upcoming October SEC.

National Convention has come and gone and the Department of Florida rocked the Nation once again. Our Florida delegation was strong and worked really hard helping our Convention Chair, PNP Charlene Kee. Job well done!

Congratulations to PDP Dee Baggett on being elected National First Vice President!

Ladies it is time to be working hard again and reporting all that you do. Remember that if you have any questions you should call your Department Officer Counterpart or your NEC PDP Sheila Haywood or me. We are all here to help.

Make plans now to come to our October SEC for the training that will be taking place, for the information that you will receive and to make new friends and meet old friends.

I look forward to seeing each and every one of you in October in Orlando. Stay strong and keep up the good work you are doing or our Veterans, Communities and Children.

Congratulations Newly Elected Officers! Listed below are known facts about our bylaws:

- Please include the bylaws cover sheet when mailing bylaws and complete the information at the top of form which includes the person sending the bylaws, address, telephone number and e-mail address. (A copy of the cover sheet was included in the package received by the SEC).
- When a local auxiliary submits bylaws or amendments to the Department Parliamentarian for approval, one (1) copy of the minutes shall include the amendments. A separate sheet of the amendments indicating where the membership voted to adopt or a copy of the bylaws highlighted where changed, will be acceptable. Also, three (3) signed copies of the bylaws signed and dated by the President and Parliamentarian (if appointed) must be submitted to the Department Parliamentarian.
- Your bylaws are due three (3) years from the signature date of the Department Parliamentarian.
- There are several changes to the National By-Laws. The NEC will be sharing this information.

Here it is already time for the Hotline to give you a little information on the October S.E.C. I would like to thank President Marecek for appointing me Executive Secretary for the coming year.

Now could I please ask a big favor of the Presidents, SEC women and membership chairmen, I am in the process of updating the email database that was started a couple of years ago, we have a good start on it, 45 Local SEC women, 52 Local Presidents and 44 Membership Chairmen. That is not bad for 60 Auxiliaries, but for the ones that have not sent me their email address, please do when you get a minute.

Time for 990's to be done; the deadline to have them into headquarters in my hands is **September 15**, as per our Bylaws. If not in my hand by the deadline, your Auxiliary **will not** be in good standing at the October S.E.C. meeting and you will have to register as a guest. As many of you may have noticed at the June Convention we are enforcing deadlines. Many of you have been notified that you only sent one copy of your 990 in, thank you for your rapid response getting the second copy to me. **You must send in two (2) copies to headquarters.** I cannot accept just one copy or accept any forms by email I must have two hard copies.

990's that are needed:

4	7	12	13	16	19	29	30	33	35
42	44	45	98	113	178	231	312	444	941
1208	1219	1939	1992	2001	2006	7467	Dist 2	Dist 4*	

*Not Revalidated

We have a new webmaster and he has been working on the website, it is not complete but it is coming along nicely. All the forms that we use are on the website (they are being worked on at this time.) You can go in and fill some of them in online. You can also go in and download any of the forms and save them to your computer and fill them in, print and send in two copies.

Greetings Ladies:

I'm BACK! I am looking forward to serving as your Recording Secretary for the year 2018/2019 and thank Madam President, Sherry Marecek for her confidence in appointing me to this position.

Can you believe it, Summer is almost over and the October SEC is fast approaching.

Please remember the SEC meetings are for you and you need to become involved in the meetings. Don't be afraid to make a Motion or to even second a Motion. Motion sheets are always on the tables to be filled out so feel free to use them.

When you wish to speak on any subject please remember to go to the microphone so that you can be heard . . . even if you think you have a loud voice the meeting room is large and not everyone will be able to hear you. The microphone won't bite you. If you have a question on any subject don't be afraid to ask it.

Remember the only person that can excuse a President or SEC woman is Madam President. The Alternate SEC may answer roll call if the SEC woman is not present BUT she must be listed on the revalidation form for your Auxiliary.

I hope to see you all at the October SEC in October.

Please think long and hard before filing charges!

There were quite a few changes to the Discipline Policy in the National Constitution – Article XII, at the National Convention. This **NEW** section needs to be followed! Most of the changes are just cleaning up the language and being more concise on what is required. Please always make sure you have up to date information.

Whatever you do – this is not personal. The veterans that gave us our eligibility to join AMVETS Ladies Auxiliary deserve our respect in deed and action. We have the *privilege* of belonging to this great organization!!! This is not a right.

We are all here to work for a common goal and need to do this unselfishly and with respect for our fellow auxiliary sisters always.
