Primary School & Nursery

Year 3CP Classroom Newsletter

Hello and welcome to the second edition of the 3CP newsletter. We hope that you have had a wonderful break, the holidays were relaxed and a special start to 2018.

Last term the children completed and created some fantastic work surrounding the curriculum. Their passion and enthusiasm was faultless and allowed them to truly embrace the subjects and topics.

Homework

English, Maths and Spellings will all be given out on a Friday. Spellings should be learnt for a test on Wednesdays.

Both English and Maths are due on Wednesdays. Please sign the book once your child has completed it or worked no longer than 20 minutes on each piece of work. PE kits will be needed on Thursdays and we recommend these are kept in school for the half term.

Skills to practice at home

- Count in multiples of 4, 8, 50 & 100.
- Reads and writes numbers up to 1000 in numerals and in words.
- Recognise the place value of each digit in a three-digit number.
- Children should also be doing daily reading practice.

Curriculum for the Spring Term

Maths - Multiplication, Division, Measurement and Fractions

English- Quest stories and non-chronological reports.

Science- Compare and describing different fossils.

History- Changes in Britain from Stone Age to Iron Age

Geography- Name local counties and identify the human/physical characteristics.

P.E.-Gymnastics, OAA and Hockey.

Art- Stone age cave paintings.

Computing- Scratch Programming, E-safety, Research skills.
