Olympics are Human Circus entertainment, a Culture of the **Chain of Evil**.

Olympic-Games are Government supported mass entertainment for the non struggling population. Entertainment consists of games with human participants. Games are elitist, each game has a performance-freak winner & many losers'. Winners become false idols (*Glitz-Media Celebrities*).

There are 3 types of Olympic-Games. Summer & Winter Olympics administered by the IOC(*International Olympic Committee*). This corrupt organization decides which country gets to hold every 4 years Games. Members bribe each other with millions in currency. They ask their Government for behind the scenes help. Corrupt, dishonest, rigged,...

Only Tyrannies & rich Nations can afford to supply infrastructure for Olympics. Olympic-Games need purpose build facilities & infrastructure, wasting community resources & creating long-term community debt. These Facilities are Energy wasters & Polluters. These Facilities are under used & high in maintenance costs. Stop building these Facilities.

Paralympics' Games, Disability Entertainment that consists of games with handicapped participants. Games are elitist, each game has a performance-freak winner & many losers'. Winners become false idols (*Celebrities*).

Paralympics' Games are Human Circus entertainment held after the Summer-Olympics & Winter-Olympics . These Games are administered by the IPC (*International Paralympics' Committee*). They are Government supported mass entertainment for the non-struggling population.

In the past traveling circuses presented handicapped as freaks. Today's Media presents Paralympics' Disability Entertainment. The handicapped humiliate themselves. Spectators who watch get enjoyment when others humiliate themselves & they can laugh at them. The majority cannot watch handicapped. They feel uneasy discomfort & often repulse.

Purpose of Games is Marketing catering to Addictions: Alcohol, Gambling, Shopping, Smoking, Fast-Food, Gadgets... Gambling, drug abuse & selfish elitist Athletes lead to cheating, corruption, crime...

Profiteering Sponsors of Games & elitist Athletes (*performance-freaks*) & Nationalism drive Olympics. Nations spend a fortune to create performance-freaks. Olympics are a corrupt entertainment & waste of a nations wealth.
