This is the future of America's fastest growing sport!

Rev. 8/19

We would like to extend to you an opportunity of a lifetime! As a National Accredited Non-Profit organization, we rely on sponsorships to provide America's Future Rodeo Stars with their beginnings thru the Youth Rodeo Ranks! We, the Foothills Youth Rodeo Association consists of more than 175 members throughout the Tri-State area! We offer our members the opportunity to compete in approximately 14 rodeos per year, and a 4 Go Year End Finals rodeo. Approximately 10,000 plus people attend our rodeos a year! With each member in attendance comes a parent, grandparent, aunt or uncle, brother or sister, family friend, or several of the above; all of which rely on products, or services & support of businesses like yours to function in everyday life. We would be proud to showcase your best wishes, company, product, or advertisement thru the use of arena banners, repetitive announcements throughout activities, our web site, newsletters, arena flags, program ads, Member jacket sponsors, and much more, in hopes of benefiting your business and boosting your productivity to surpass the level that your contribution can provide our kids! Your contributions go to producing the rodeos: legal and insurance fees, supplying livestock, bull fighters, judges, timing equipment, prize money and so much more! We can give buckles, saddles, Finals Qualifier jackets, and many other prizes to the well-earned and deserving cowboys and cowgirls that have shed much blood, sweat, and tears to produce such an entertaining and valuable learning experience for us all! We also strive to instill the values of hard work, sportsmanship, responsibility, and the importance of family! Not only will these kids become stronger people for having competed in FYRA, but could become the next World Champion! Don't you want to be a part of that experience! Help us build the future of America & Rodeo, but most importantly help fulfill these young cowboys & cowgirls dreams! ****All donations are 501 C3 tax deductible!**
