
STUDY & DISCUSSION QUESTIONS

1. Find two examples in the Bible where God placed someone in an “unfair” situation. What was the outcome?
2. State three reasons God might “need” for us to be stretched beyond our ability.
Can you find scripture to defend your position?
3. Is there a time you remember noticing someone struggle and realized it was for their good? Were you able to encourage them in their faith?
4. Be ready to discuss what a person might be like if he/she had never a struggle.
5. Find a passage that tells us that it might be better tomorrow. What is the Biblical position on “things will be ok, just ride it out”?

PERSONAL APPLICATION

1. In light of what you’ve heard, how will prepare for the next big “storm”?
2. Are you prepared to do anything God will ask of you?
Hint- He will ask you to do hard things, but is ALWAYS with you and will bless you in and thru it- commit now.
