### **UNION VALE COMMUNITY DAY & NIGHT**

Dear Union Vale Friends and Neighbors,

We would like to invite you to join us for some family fun at our twin events: **Community Day (June 2<sup>nd</sup>, noon – 6:00 pm)** and **Community Night (June 22<sup>nd</sup>, 6:00 pm – 9:20 pm)**.

After giving much consideration to what might bring our residents together to celebrate living in such a beautiful town, our *Community Day Committee* recommended splitting up Community Day, which ended with a traditional fireworks display, into two events.

Now, we will have **Community Day (June 2)**, a wonderful, full day of **Family Olympics, Sports Skill Competitions, Scavenger Hunts, antique cars**, with lots of **food and ice cream** (but no fireworks) and **Community Night (June 22)** which will be a **Tailgate Party** at Town Hall with **fireworks** to celebrate the start of summer!

June 2<sup>nd</sup> is also the day the **swimming pool opens** for the season so there will be **beach music** by the pool, **pie eating contests** near the pool and tons of **local farm and business vendors** surrounding the pool!

Our large barn will house an **Equine Trade Show and Flea Market** where there will be great buys from **tack shops** and even **equine jewelry**. Come support our local Equine community and after shopping you can take a **hay ride** up to the **Equestrian Center** to watch the **Horse Pull Competition** or **paint some ponies**!

Whether you want to participate as a vendor with a table, a sponsor by supporting the day with a donation or as a family – **bring some chairs, a cooler and spend the day** with lots of old and new friends..... and maybe you'll win a prize for **Community Volleyball**!

There is no admission cost and all the necessary forms are enclosed here for you to fill out and send in to Town Hall. So please join us on June 2<sup>nd</sup> and June 22<sup>nd</sup> to **Rediscover Union Vale** by participating in some old fashioned, old style Union Vale fun!

We look forward to seeing you here.

Town Supervisor

Ed Kasche
