TEAM REGISTRATION FORM

WAIVER AND RELEASE OF LIABILITY

I fully realize that SOCCER is an inherently dangerous activity and I am nevertheless desirous of assuming the risks associated with such sport.

I hereby forever release and discharge the Northern Wisconsin Soccer League and its officers, directors, employees and agents, of any and all liability for any act or omission of any kind or character which may cause me to suffer personal injury (including death, paralysis, or dismemberment) while traveling to or from, participating in, or watching such activities, unless such damage, injury, or loss is caused in whole or in part by the gross negligent or intentional acts or omissions of the Northern Wisconsin Soccer League, or any of its officers, directors, employees and agents.

This waiver and release is understood to supersede and take precedence over any other agreement or representation, whether written or oral, which contradicts the terms of this waiver and release.

This waiver and release is executed freely, voluntarily and intelligently, without undue influence or duress, and is intended to release and waive liability for all risks of damage and injury, regardless of whether the risk is known or unknown, foreseeable or unforeseeable, except as noted in the preceding paragraphs. Before initialing this document, I have read it carefully or have had it read or fully explained to me.
