

SEMINOLE DRUMBEAT

March-April Edition

Chapter News

Hello everybody! I know It's been an awesome two months with both Spring fellowship and Section conference happening. I am also aware that it is the time of year for troop elections. OA Reps, as far as I am aware, all of the elections are done or scheduled, if not please take care of that. That's not your only goal though; part of your job is to encourage new members to stay in the program by assisting them in signing up for events, referring them to chapter or lodge officers for committee positions, and just

encouraging their continued participation. Also, one of our goals for this year is to encourage "sash and dashers" to return to the OA. You guys should know who is in your troop that is an OA member; part of your job is to encourage them to come to events, and the same goes for out of council transfers to your troop. Also, I would like to welcome the addition of troop 906 into the bounds of Seminole Chapter. It seems that a lot of people went through ordeal this fellowship, so I'd like to continue this streak with candidates that are newly elected, were unable to attend last fellowship, or are to be elected. Finally, I would just like to remind you that we have meeting on

the third Thursday of every month at Crossroads Baptist Church at 7 o'clock . The address is on the website at www.seminole200.org. Remember that this newsletter can't be done without your participation, so please e-mail me articles to swardrop4@me.com or hand me a written copy next time you see me.

Yours in Brotherhood,

Scott Wardrop

News From the Chief

Hello Seminole Chapter!

We had an awesome weekend at Spring Fellowship 2015. We had 25 total members go to this event, seven of which were new Ordeals. We also had two of our members go through Brotherhood, and one Elangomat. We had a great time at the games as well, and teamed up with Ocoola for one of them. Overall, we had an Amazingly Epic weekend.

Hey guys, I just want to say that you missed out something great at Section Conference. It was a little bit strange being at an OA event outside of Camp Shands, but it sure was fun. Tips a Lodge put on quite a show with tons of games, ceremonies, competitions, and overall amazing fun. The food was okay, but the camp facilities were really nice. It makes me look forward to all of the updates that they're planning at Camp Shands. Overall it was a nice event, and I look forward to seeing you guys next time. Also, thank you everybody who congratulated me on becoming a part of the Brotherhood ceremony team. It was unexpected that it was posted, but I look forward to the training I am to receive for this position.
