# Presidents Thought's

May 5, 2021

Greetings members:

Again, I hope all is well. I want to welcome all the new members who have joined the club these past few months during these tough times. The end is in sight. (Really). Just a couple words of caution. The snakes are out. We have already had a member bit for the second time. Be very careful out there. This outing will be our last outing till the fall. Chesters chicken will be served as the main course. This has become a club tradition. Just because the club does not sponsor outings for the summer does not mean members can't prospect on the claims. If you decide to prospect during the summer be sure to bring plenty of water. Stay hydrated. This has not been the best prospecting season because of the weather. Hopefully next year will be much better. We've had many good years in a row, so maybe this is a pay back. We hope to see many members at this outing as this is the last one for a few months. May there be plenty of gold in your pan.
