Welcome to a special place where dogs get to do what dogs do best... play!

Noah's Playground has been created to be a completely happy experience for your favorite four legged friends! No stress, it's all FUN!

Play days include plenty of exercise in large fenced play areas, supervised games and swimming in our heated mineral pool.

The pool has "tanning shelves" for shy or short guests, where the water is just 6 inches deep. Experienced swimmers will enjoy going into the deeper waters for hours of fun.

We haven't neglected our feline friends at the Playground!

Felines will enjoy their own luxury boarding area with a floor-to-ceiling window to view all the action at the pool. Each day, felines boarding at the Playground can enjoy time out of their condo to try out the "One Fast Cat" exercise wheel, or the Amazon jungle cat tree for lounging, and get lots of one-on-one staff attention.

Playground Rules

The Playground is a fun place for safe, supervised canine play.

Dogs are screened for sociability prior to having access to group sessions at Noah's Playground. Dogs must be friendly and enjoy playing in a small group of dogs.

Pets visiting the Playground must be:

Vaccinated according to Noah's Ark guidelines
Receiving monthly flea & tick preventative, and free of intestinal parasites

Half day and full day Play Days are available.

Pets can be dropped off any time after 8:00am.

Parents must sign in and pick up within four hours to receive 1/2 day rate.

\$5 per additional hour over four hours, or portion of an hour over 15 minutes.

Daycare ends at 5pm. Pets not picked up by 5pm may be transported to Noah's Ark.

brought to you by your friends at
