Sunrise Montessori School programs follow a schedule which is similar, **but not identical** to the Franklin public school calendar.

Our school year is comprised of approximately 36 academic weeks:  
September to December has 15 academic weeks & January to June has 21 academic weeks.

Sunrise Montessori School observes a two week Winter Break, a one week February Vacation Break and a one week April Vacation Break.

On Professional Development Days, scheduled holidays, vacation breaks and snow days, school is not in session, and the Extended Day program is not available.

In the event that there are more than 3 snow days used during the academic year, the calendar will be revised, and additional days will be added to the school year in June. Previously scheduled Professional Development Days may also be used as snow make up days if necessary.

Keep this calendar as a reference. Also check out the school's Facebook page at:

Also see the school's website at: [www.MySunriseMontessori.com](http://www.MySunriseMontessori.com) for important updates and news.

### Health and Safety during the school year

Sunrise adheres to the health and safety requirements issued by the State of Massachusetts Department of Early Education & Care.

Please refer to the most up to date guidelines issued by the MA DEEC which address the policies and procedures that all group child care programs, including Sunrise, must follow:

Sunrise Montessori School reserves the right to change special events planned during the school year due to health and safety if required by the MA DEEC or local Franklin Board of Health.
