

McCleskey Sixth Grade Bands Winter Concert

Dear Sixth Grade Band Parents and Students:

Our first concert of the year is quickly approaching! It seems as though only last week your children were learning how to hold their instruments and play their first notes. Quite a lot has happened since then. We know you will be truly impressed by their progress and the level of music they are already able to perform.

The concert will be **Tuesday, December 6, at 7:00 PM**, in the theatre at McCleskey Middle School. The students will meet on the stage at McCleskey at 6:00 PM for warm-up and tuning. After the sixth grade students perform, they will sit with the audience and listen to the seventh grade bands perform. The entire program should end no later than 8:15. Performances are an integral part of band participation; so all students are expected to attend the entire concert. *Any absences from this event need to be cleared in advance with one of the directors, as the concert serves as a final exam for the concepts we learned the first semester.*

Dress for the concert should be nice, casual clothes. Feel free to wear winter or holiday themed apparel. Santa hats are allowed, but no jingle bells please.

We look forward to seeing all of you at the concert!

Jody Miller

Andrew Paller

McCleskey 6th Grade Band
