“Grand Champions”....an illustrious title many drill teams work to attain, but few actually accomplish. What is even more impressive is that Tomball Memorial High School’s Silver Stars’ inaugural year was 2011, when the school first opened its doors, yet this title was awarded to our Stars after they consistently exuded perfection in their performances, while reflecting community values of dedication, hard work, respect, and sportsmanship. This is what earns a young drill team the prestigious honor of “Grand Champions” in only nine short years within the competitive arena. The officers continued the tradition by winning “Grand Champions” in 2020.

From football games and pep rallies, to hometown parades and the Macy’s Thanksgiving Day Parade, our award-winning Silver Stars take pride in entertaining audiences both here at home and across the country. Aside from sparkling in The Big Apple, our Stars also had an opportunity to shine on stage when they traveled to Hollywood, California last year, working further on their skills with training classes. Excellence is what our Silver Stars take pride in - throughout every academic school year, every practice, and every performance.

We commit to continuing to strive for greatness in all that we do, from dance to academics, to giving back to our community through various philanthropic events throughout the year. We will preserve our goal to make you and all Silver Stars patrons proud.

**In order to continue our legacy of success in our arts program, we rely on the continuing support and generosity of area businesses and citizens like you.** Expenses like elite choreography, custom costumes, competition fees, and senior scholarships, just to name a few, are predominately covered by kind donations from our community.

*Please see the attached Sponsor Level Descriptions for our upcoming 2020-2021 school year.* Donors at all levels will be featured in the TMHS athletic program and on our team website year-round.

If you have any questions regarding our sponsorships or are interested in other potential methods of support or assistance with our team’s endeavors throughout the year, please feel free to reach out to our 2020-2021 Sponsorship Coordinator, Cindy Burns at [SSsponsors@outlook.com](mailto:SSsponsors@outlook.com).

With sincere gratitude,  
The TMHS Silver Stars
