During her time at UH, she helped lead the Cougars to 41 victories, including an 18-2 in season in 2013, a mark nine wins more than the previous year.

A veteran of the state of Texas and a well-respected instructor, Phillips joined the UH staff after spending the 2011 season working under Platt at Houston Baptist University as an assistant coach. In her lone season at HBU, she helped guide the Huskies to a 22-9 campaign and a semifinals appearance in the Great West Conference Tournament. Prior to HBU, Andrew spent one season at the University of Virginia as Recruiting Coordinator and Offensive Coordinator. She also previously coached for Austin Junior Volleyball where she won national qualifiers, qualified for Juniors Nationals twice, and received the 2010 Coach of the Year Award.

Phillips was a four-year letter winner at the University of Texas and was instrumental in the team's success as a 6-foot-2 setter. She helped her team to three NCAA Tournament appearances, including the Sweet 16 in 2004 and Elite Eight in 2006. She was named Most Valuable Player in 2006, was a Big 12 Academic All-Conference and Commissioner's Honor Roll selection. She was invited to try out and made the United States Volleyball National Team A2 Roster prior to her senior season at Texas.

“Jenny was a valuable Longhorn and part of the transformation of making it what it is today. She has continued to give back to the sport and passionate about the game and giving back” said Jerritt Elliott, University of Texas Head Volleyball Coach.

Phillips graduated from Texas in 2007 with a Bachelor's of Science degree in Sport Management. She is the daughter of Randy and Connie Andrew who reside in Lafayette, LA.
