Event Sponsorship Levels

Founded in 2006, the Northwest Navigator Rendezvous Committee has been organizing and hosting an annual Rendezvous of Navigator boat owners.

Each year we offer many opportunities for businesses to reach the attendees, including direct access, signage, our website, gifts, printed ads in our roster (which is provided to all members), and printed ads in our event programs.

We offer a variety of sponsorship levels to meet any advertising budget.

Your message will reach our participants!
