- Created certificates for Celebration of Excellence
- Purchased 6 trophies for Celebration of Excellence
- Prepared lists of Bronze through Platinum winners and other membership winners for Celebration of Excellence

- Also delivered trophies, but we have decided to hang on to them until fall DA so they don't get broken going via pony

- Prepared new Membership Training power point and trained a group during spring training
- Sent out a "do this now" e-mail via mailchimp and other e-lists
- Started trying to recruit new membership chairs and presidents to the membership mailchimp
- Talked to webmaster about adding info from mailchimp e-mails to website. There is a way to get links to the info and add them, so I will be doing that going forward.
- Spreading message to turn in MD PTA Officer Contact List, pay MD dues or return cards, and pay MCCPTA dues
- Turned in expenses for certificates and trophies to Cheryl

### **To Do:**

- Continue giving units support and encouragement as they ask questions
- Announce final winners on listservs
- Utilize MCCPTA yahoo groups when appropriate
- Get latest SOCA report and contact units that have paid MD for more members than they paid MCCPTA for
- Contact units that have not paid any dues since October to remind them to send in payments for later members
- Contact non-paying units and try to get their payments in
