Re: Zoning Map Amendment Within the Pilsen Industrial Corridor and
Proposed Waterway Heliport Planned Development
Applicant: 2420 South Halsted Chicago, LLC
Location: 2408 - 2424 South Halsted Street

Chairman Cabrera and Commissioner Mooney:

I hereby withdraw my letter of support dated July 18, 2013, regarding the development captioned above. At the time of my letter, I understood that the project developer would coordinate with the Alderman of the 11th ward, in which the project resides, as well as community groups to address neighbor's concerns. I have since learned that the developer has failed to meet with key neighborhood groups and has not secured formal support from any community organization.

Furthermore, since the date of my original letter, approvals have been granted for a new heliport landing center and fixed base of operation at the Illinois Medical District (IMD).

Accordingly, I am not able to support the captioned project at this time.

Very truly yours,

Alderman Daniel Solis
25th Ward, Chicago
