## WORTHY PRESIDENT

Well we made it through "Irma" with hardly a scratch except for loss of power and convenience! It made the best of our members shine; we took care of our own. Members took shelter together with other brothers and sisters, and helped with a multitude tasks from feed-

ing those in need of a good meal, to providing shelter for those evacuated. Thanks!

We will be having a "Charter Party" on the 15th of the month at 1pm. It is my expectation to receive our Charter back (as I write this on Sun. Sept. 17th) sometime this week. It's been a long ride and we need to come together and celebrate.

Also, on the 27th at 6-10pm we will have a Halloween party planned by a couple of brand new members who joined our fold. They say they have run similar parties before and would like to help us. We will have the usual first, second and third place monetary costume prizes, which is always a hoot and some other activities new to us. Wear your best creative getup and join us for a good time!

Fraternally, Bill

## MADAM PRESIDENT

IRMA, Whew! We need to thank Rita McCall, our Auxiliary Vice President, for stepping up to have the kitchen open for members without power throughout this act of God. Everyone, if you see Rita please thank her even if you were more fortunate to have not lost power. Let this

really be a drill for 4272 with "People Helping People".

Chef, Bonnie Rosenberger (Auxiliary Past Madam President) and her crew for feeling good about Wednesday Evening dinners: Lots of compliments and worth a trip out for some eats. Thank you Bonnie, Patsy Flaharty and Patty Parsons.

Everything is actually looking up, membership is on the rise. Our Past Madam President, Patty Parsons so enjoys whipping up some breakfast for members and guests the first Sunday of each month starting at 9:00 o'clock am. Yikes, let us not forget our very own Auxiliary Trustee, Katy Winding, as "Auxiliary Show Me" Committee head (born leader our Katy) the first and third Sunday of each month. She is raising additional funds for our upcoming community needs. We urge you to watch the 4272 Eagle Calendar and support your Auxiliary events.

Sincerely, Ellen Dunn, Auxiliary President

## MADAM CHAPLAIN

Greetings Ladies,

I hope everyone is doing well.  
Now that Hurricane Irma is be-  
hind us we can get back to our  
normal routine.

We are very blessed to have es-  
caped this storm with no major  
destruction or casualties.

First of all, Martha Massey had  
knee surgery two weeks ago and recovering at home.  
Phyllis Walch's brother passed away this past week.  
She is away for the week with family. Terri Bianco had  
surgery on her ankle to repair an old injury. She is us-  
ing a wheelchair and doing good. Please keep these  
ladies in your prayers.

Until next time  
Madam Chaplain,  
Carol Mosier
