Deceased

Introduction

The Soul has completed its Mission. It is ready to leave the physical body and move on into Afterlife. For relatives, friends, community there is grieving to be observed.

Afterlife starts with a cremation to make sure the Soul is released. Cremation releases the Soul. Fire cleanses, destroying body contagions, releasing the Soul to move on to the Spiritual Gate.

After death a Relive-Good Prayer or Relive-Bad Prayer can be used. These prayers ask 1 GOD to reward or punish a person.

Graveyards are not acceptable they are recycled for other purposes.

A Gatekeeper Angel decides whether to welcome the Soul or send it back. A dark Gate the Soul goes back. A bright Gate a welcomed Soul has its Judgment-Day.

On Judgment-Day 1 GOD question's a Soul. After questioning a Soul moves on to the Purity-Scale.

A Soul relives its' bad and good life-experiences. Then they are moved to a Life-experiences Vault.

Either a Soul gets another body, is Reincarnated. Or a Soul has collected enough Life-experiences to become eternal (Angel). An Angel starts with being Guardian then Reaper and in due course becoming Gatekeeper.

There are other Angels.

1 GOD calls the Spiritual-Universe: 'HEAVEN'.

Heaven is where Souls' become 'Eternal'.

1GOD calls the Eternal: 'ANGEL'.

S O U L you got 1.

1 GOD is the original **Soul** and **Eternal-Soul**. The Soul is spiritual. The Original Soul is 1 GOD both good and bad.

1 GOD created 2 types of Worlds. A Spiritual: 'HEAVEN' and a physical: 'Universe'. They coexist complementing each other. On day 4 of creation 1 GOD gave every physical lifeform a spiritual companion. A Soul! You got 1.

Note! The Soul's physical human cycle begins at: Birth> growing> learning> multiplying> teaching> dying> cremation

Why do I exist ? A **Soul (Yours)** from the Spiritual Universe gets its instruction (from 1 GOD) on what Life experiences (emotional and physical) it is to have in the Physical Universe. Instructions are vague as is to be expected from an imperfect Universe. Giving a Soul flexibility for completion of its mission. To complete its mission in

the Physical-Universe the Soul needs a physical appearance (your body). The reason for Your existence is to help Your Soul gain the Life experiences it needs to complete its mission.

Life experiences are events you remember until your dying day or memory loss. These events are dramatic happy (dream come true..) or unhappy (serious accident..), character building. Custodian Guardian believe that every individual should record their Life experiences and pass them on: **Knowledge Continuity**

Why do some people die young? The Life experiences mission of Your Soul may have been completed at an early stage (infancy) of existence. Whenever a Life experiences mission is completed the body is supposed to die. That is why people die at different ages.

A **Soul** after entering a physical body is given a 'Mission' from **1 GOD**. The mission is to gain specified 'Life experiences'. The Soul delivers these to the 'Purity Scale'.

A **Soul's** physical body is there to make life experiences possible. The Soul's relationship with it's physical body is volatile, imperfect as are the Universe.

A **Soul** and its physical body have 2 Angels assigned to them, both of them guardian angel (G.A.). 1 guards the mission (e.g. a person has an accident not part of the mission, a body is dying, the 1st G.A. makes a miracle happen. Both body and mission are saved). The 2^d G.A. tests' (temptation) the maturity of a Soul and its moral strength (conscience).

When a **Souls'** mission is completed a physical body dies. Its Soul moves up to the bright Spiritual Gate. A dark Spiritual Gate means the 'Gatekeeper Angel' send's the Soul back (incomplete mission).

1 GOD is waiting to hear from you !

Soul Prayer

Dear 1 GOD, Creator of the most beautiful Universe
I feel empty, lost, without purpose
A humble custodian guardian who struggled to be good
A much loved person who fulfilled their mission
Fire frees this Soul for Judgment-Day
A unique Soul missed
For the Glory of 1 GOD and the Good of Humankind

This prayer is said after a person died. Is used at the End-portal ceremony at the Crematorium.

G R I E F

Bereavement a state of being sad because a family member or friend died. When a person dies their body has an autopsy, cremation and an Estate. The Soul starts Afterlife. The people who cared about the deceased are in a state of bereavement. Bereavement comes in various emotional stages. The most intense being Grief.

G R I E F unbearable emotional pain after a Loss. Grief is the most painful, character building Life-experience a person can experience. One moment everything is normal, then we suffer a loss and almost unbearable emotional pain. Pray (Grief-Prayer) keep on praying. Keep on praying through all stages of grief! It helps!

The 1st reaction maybe numbed disbelief. This can't be happening. 'I didn't plan this'. Isolation and privacy is needed, lethargy is normal.

Next anger is felt at the cause of the grief, others, oneself, GOD. The grieving feels regret about missed opportunities. Indulges in self-pity, self-blame. Some embrace Addictions.

Then the bargaining with GOD and fate starts. If I promise to change or do this or that will that reverse the loss or take away the pain. Desperation resulting in wishful thinking.

Memories lead to reminiscing, reflection and revisiting the past. Realization of loss sinks in. Numbness and bouts of emptiness, despair and depression occur.

Eventually managing grief evolves. Now it is time to normalize, re-connect with life around You. Interest in surroundings returns.

Hope returns and planning becomes essential. Reconnect! Friends, family, community await your comeback.

Go outside. Life's Good! Birds are singing the Sun is shining, go out and **Harmonize!**

How can others help? Cheering up won't help, sympathy won't help, understanding won't help. **Patience and support will help.**

1 GOD is waiting to hear from you !

Grief Prayer

Dear **1 GOD**, Creator of the most beautiful Universe
Please Welcome a member of our community
My eyes are flooded with tears
My heart is breaking under unbearable pain
Please comfort me, give me hope and purpose
Your most humble faithful custodian-guardian (**1st name**)
For the Glory of **1 GOD** and the Good of Humankind

Use this prayer after the loss of a loved 1 !

The human-body has a beginning and end. At its end a Soul needs to be released. To ensure that a Soul is released and Afterlife is possible the human-body must be cremated. If a Soul is not released it exists in limbo as Ghost.

Cremation is not only needed to free the Soul but also for health reasons. The cremation fire cleanses destroying dangerous bacteria, viruses, insect larvae and fungi that may inhabit the body.

The '**Crematorium**' is a Provincial Public service facility. The facility administers a Morgue, an End-Portal, a garden. Here the dead have an autopsy, are fare-welled and recycled.

Morgue: All deceased are transported to the morgue for autopsy. The autopsy needs to establish cause of death, identity of deceased. It includes a toxicology to establish whether the body was contagious in anyway and could have infected another human. The Finding decides what happens next.

A natural death finding, the body is transferred to the 'End-Portal. A suspicious death finding the body is moved to the 'Criminal investigation Lab'. A contagious death finding the 'Provincial Defense and Emergency center' (PDEc) is alerted. PDEc picks up the body and applies relevant quarantine.

Cannibalizing the human-body before during or after autopsy is immoral is criminal. Cannibalizing is removing body-parts, body-fluids, eggs and sperm. **Bodypart cannibalizing is a crime: MS R7**

End-Portal: After receiving a body a Cremator prepares the body and estate distribution information for viewing. Every body is prepared the same way no exceptions. A naked body (humans start life naked they end life naked) covered by an olive color linen sheet with only the head visible is placed in a plain cardboard coffin.

A viewing date and time is set any person can come to say farewell. Viewers may pray silently using the Soul-Prayer and Relive-Good Prayer or Relive-Bad Prayer, Grief-Prayer.

The Cremator sets a date and time for the Cremation. An **Afterlife** mess is held by an **Elder** from the nearest **Gathering**.

The coffin is closed cremation proceeds.
A released Soul enters a lit up Spiritual Gate
welcomed by the Gatekeeper...
Mourners receive a plaque each to take home.

1 GOD is waiting to hear from you !

Relive - Good Prayer

Dear **1 GOD**, Creator of the most beautiful Universe

Your most humble faithful custodian-guardian (1st name)
Requests that the Good (name) has done deserves extra
recognition (name) represents the good Humankind has
to offer. An inspiration to others

May (name) relive (number) times all the joy of recipients'
of good deeds

For the Glory of **1 GOD** and the Good of Humankind

This prayer is used for a Good person before or after cremation!

Relive - Bad Prayer

Dear **1 GOD**, Creator of the most beautiful Universe

Your most humble faithful custodian-guardian (1st name)
Requests that the bad (name) has done deserves extra punishing
(name) represents Evil a blemish on Humankind a repugnant
abomination a fiend

May evil (name) relive (number) times all the suffering of victims

For the Glory of **1 GOD** and the Good of Humankind

This prayer is used for a Bad person before or after cremation!

Crematorium Garden: A body is recycled via the
cremation ashes. The morning after the cremation
ashes are spread over the Crematorian garden.
Ashes cannot be taken away. They are always
spread over the Crematorium garden.

Note! Prisoners who die in **Rehabilitation** their ashes
are spread over the Crematorium compost.

Cremation of other things living only applies if their physical
presence is not used in any form of recycling. For cremation (pets,
anything poisonous, sick..). Basically cremation is the same as for

humans. **No cremation** (anything eatable or recyclable, composting material...).

Graveyard funeral a pagan ritual.

Graveyard funerals are unacceptable because a growing population needs to use the land more useful. Graveyard funerals may create Ghosts by not releasing a Soul. Graveyard funerals are favored by **evil elitist** showing off: Expensive coffin, expensive Headstone, pompous landscaped mausoleum.

Preservatives in food stop body's from decomposing stopping reuse of graves. Graves encourage crime, robbing and vandalism. Neglected graves attract vermin,..

No more new Graveyards. Existing Graveyards are closed and dug up. Remains are to be cremated and ashes spread over the Crematorium garden. The land is to be used for other purposes.

Cremation is the only acceptable type of funeral !

Judgment-day a part of the 'Cycle of beginning and end and recycling' (Day2). It is the 2nd stage of **Afterlife**.

A physical body begins life at conception. A spiritual **Soul** enters a body. A physical body ends with Death. After Death the spiritual Soul leaves the body and heads towards the light of a Spiritual-Gate. A dark Gate means the Soul goes back (incomplete mission).

A Soul is released by praying and cremation. If it is not released it exists in limbo as Ghost. No releasing of the Soul, using Soul-Prayer, cremation; no Judgment-day.

The physical body is recycled by being cremated and turned into ashes. The spiritual Soul is Reincarnated.

A welcomed Soul is then questioned by 1 GOD:

1 GOD wants explained what knowledge the person has continuously accumulated and how this knowledge was used for the benefit of the local habitat, environment and community.

1 GOD wants explained how his latest message was heeded, spread.

Thousands of years of Evil are coming to an end. 1 GOD wants explained how the person helped Cage Evil.

Note ! A Soul cannot use excuses, play dumb or lie to 1 GOD.

After explaining the Soul is praised by 1 GOD for its Good deeds and reprimanded for Failings. The Soul moves on to the Purity-Scales.

Preparation for Judgment-day!

Learn then Teach; seek, gain and apply Knowledge all your live. Use all the Knowledge to live in Harmony with yourself, family, community and Environment. Then pass on Life experiences as Knowledge-Continuity (family, work).

Read, follow (repeatedly read, absorb, think, and then act), promote (tell everyone) the "Law-Giver Manifest" 1 GOD's latest 'Message'! Disregard all other religious publications.

BE GOOD PUNISH EVIL

A 'Purity-Scale' weighs a Soul's good deeds and it's bad deeds. It makes the Soul relive it's deeds. The Soul's life-experiences are transferred to the 'Life-Experience Vault.

A Soul's Life-experiences are transferred to the Purity-Scales:

Left side
measures **Good** deeds

Right side
measures **wrongs**

The left side is down (↓) you done more **Good**.

Your soul relives all good things you did and the good feelings that the recipient of your good deed felt. Your soul will not only relive the good feelings that the recipient of your good deed felt but also the joy his, her family, friends and pets felt. Your good feelings may be extended by prayers from recipient of your good deed asking 1 **GOD** to multiply the **relive-good** experience.

The right side is down (↓) you done more **Bad** deeds.

You will relive the suffering and pain your victims felt. You will not only relive the suffering and pain of your direct victim but also the suffering and pain of the indirect victims (family, friends, pets...). Your agony may be extended by prayers from victims asking 1 **GOD** to multiply **relive-bad** deeds. E.g. John Howard the Bully from Down under. A tyrant who invaded 4 countries with his criminal Mates. They raped, tortured, injured and killed 10's of thousands of people. Destroyed and plundered workplaces, schools and homes leaving 100's of thousands homeless and millions became refugees. Evil John will relive each and everyone's suffering all millions of them. Furthermore the C. G. prayed, asked 1 **GOD** to listen to our Relive-Bad Prayer.

When the reliving stops a Soul's current memory is erased and transferred to a **Life-Experiences Vault**. A Soul is now Reincarnated and enters a new physical lifeform.

REINCARNATION

Reincarnation is to be used as apprenticeship by a **Soul** towards becoming an Angel. Being an Apprentice a Soul is on a learning curve prone to errors. As a result life experience might not live up to its full potential. A similar life experience will need to be experienced.

Previous life experiences can be gained from any kind of lifeform (bacteria, insect, plant, animal, human..). Past life experiences and any unfinished are used to determine a Soul's next mission and into

which life form it is Reincarnated (not necessarily human).

A Soul's life experiences accumulate until there are enough to complete the Apprenticeship and become Angel.

Note! Reincarnation ends when the Soul becomes an **Angel (Eternal)** with infinitive afterlife in **HEAVEN**.

ANGEL

A Newly qualified Angel is Welcomed to Heaven by **1 GOD**, becomes eternal and given heavenly pleasures 1st of these is being '**Guardian-Angel**'. Everytime a new Angel becomes an Eternal. There is great meriment (music, singing, dancing, laughter,..) in Heaven.

'**Guardian-Angel**' (G-A) monitor how a Soul's mission is progressing. G-A interfere when a soul stray's from its mission or events threaten its mission. G-A methods of interference: conscience, miracles, vision. **Note !** G-A's are the only Angels that can make themselves be seen by Humans and all creatures.

A Soul and its physical companion (**body**) have 2 Guardian-Angel assigned to them. 1 guards the mission the other tests' (**temptation**) the maturity of the Soul and its moral strength (**conscience**).

A Soul has completed its mission, a G-A tells it that Judgment-Day is imminent. Folklore describes this behavior of a G-A as a Reaper or Angel of Death! The Soul cuts its bond with its body. Flashbacks' occur the Soul starts moving towards a warm bright all embracing light.

A **Gatekeeper** decides whether to welcome a Soul or send it back.

The Gatekeeper checks each incoming Soul if it has completed its Mission & is due, to come in. Should a mission be unfinished the Soul goes back into the body (no body to go back, is assigned a new body).

Gatekeeper administer Judgment-Day, Purity-Scale, Life-experiences Vault and supervise Guardian-Angel.

There are other Angel (too complex to understand by humans)

1GOD's Spiritual-Universe is 'HEAVEN'
Heaven is where Souls' become 'Eternal'
1GOD calls the Eternal: 'ANGEL'

1 GOD's expanding Universe wants more Angels!

Deceased

A Deceased person has a community afterlife: Estate, Knowledge-Continuity, Heritage and Traditions. Estate passes on accumulated knowledge and life experiences, heritage, family traditions and memorabilia. Estate does not pass on Position (ends with death), Power (ends with death), all Wealth goes into Government Revenue.

A Deceased person who had raised Children (own, adopted, foster) becomes 'Immortal'! Those that didn't, 'Don't'! Children make you 'Immortal'!

This concludes the 7 Scrolls.

AS it is WRITTEN It Shall BE

1GOD's latest message, Law-Giver Manifest
