

The Shoreview Community Foundation seeks to maintain, enhance, and enrich the quality of life in Shoreview, Minnesota by connecting the generosity of people who appreciate Shoreview with the evolving needs of the community.

2022 Grant Guidelines

Reviewed annually, the Foundation currently considers special project requests on behalf of:

- Arts and cultural organizations
- Recreational places such as parks and trails, as well as places for reflection and relaxation such as open spaces, wetlands and woodlands

- Have an IRS 501(c)(3) tax-exempt status
- Be part of a governmental body (e.g., schools and municipalities that serve the people of Shoreview)

Grants are primarily focused on projects that are located in the city of Shoreview or serve Shoreview residents. Programs located close to the Shoreview area may also qualify, providing that they can demonstrate how Shoreview citizens are significantly served by their organization. Grants awarded to date have ranged from \$1,000 - \$12,000. Larger grants will be considered if a project has the potential to significantly impact Shoreview.

The Shoreview Community Foundation will only accept one grant proposal from an organization per calendar year. Organizations are encouraged to seek matching funds for their projects.
