FROM THE PRESIDENT

What a great April we had. Starting with the Salad Supper, the club needs to recognize our GaSCar ladies for the especially nice job of setting everything up. Limiting our meal to the meeting room is a challenge but our ladies were able to fit everything in the space allowed, provide appropriate table decorations, and do whatever was necessary to insure a pleasant and enjoyable evening. My only complaint was that my plate wasn't quite big enough to sample everything but what I did sample was outstanding.

Following the Salad Supper was the yard/garage sale and it was a HUGE success, doing far better than we had even hoped! All of us need to really thank those members that worked so hard to make it the success it was and also those GaSCarians who so generously donated their excess(?) items for sale. Lois, Cheryl, and the rest of the ladies did a masterful job of separating and categorizing sale items while Wayne and Ed's parking lot expertise kept things going smoothly there. Of course the pizzas Scott and Jerry brought in Friday evening were highly welcomed by a

hungry crew as were the donuts and Richards biscuits Saturday morning. All in all, the best yard sale I ever remember.

With all that GaSCar had going on in April it seems that things would have to slow down some for May but...with our club, that's not the case and we have quite a few GaSCar activities to look forward to. Starting this month, the first Saturday of each month there will be a cruise-in at the French Market Grill West from 5 to 8 PM. Then, during the day on May 14th, the *Kiokee Cruisers* car club will be hosting their annual spring cruise-in in Appling. Many members really enjoy this event because it is so "low-key". No judging or big show prep. Just a group of old car enthusiasts enjoying the day with antique cars, good food, and lots of car talk. There is also a good possibility that the Cadillac Club from Atlanta will be joining us there as part of their annual tour. Then, in the evening, many of us will drive to Washington Georgia for the *Cruise-in on the Square* from 5 till 8. This is another enjoyable get together with other car people. Both of these events are usually very well attended so it is probably a good idea to try and get there early.

Following our regularly scheduled club meeting on the 17th, in lieu of refreshments we will have a cruise-

in to the Sonic Drive-in on Wheeler Road. This is another well attended event so be sure to drive your classic car!

GaSCar members are what really make GaSCar the organization that it is. From clean-up after the meetings, helping with the yard sale, and working with fellow club members on car problems, we are incredibly fortunate to have members willingly pitch-in and do what needs to be done. Our club, GaSCar, is a cumulation of people willing to do whatever they can and are the reason our club continues to be the viable entity that it is.

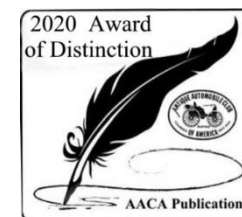

Finally, keep current with your GaSCar newsletter and e-mails for the latest club information. Also, please keep our sick and ill members in your thoughts and prayers. Remember, God makes a difference! Happy Antique Motoring!

GaSCar Name Tags

The response has been great on the number of members who are wearing nametags to GaSCar events. We continue to have new members on a regular basis and it certainly helps put faces to names. Remember to wear your nametag to all GaSCar events. If you don't have one, the official GaSCar name tags are available at B&S Engraving, 3733 Washington Rd, Martinez, GA, 30907. They are open from 10 AM to 6 PM Monday thru Friday. The cost is \$16 for a name tag that attaches by pin or magnet, or \$18 for a name tag that clips onto the shirt pocket. A dangle bar attached below the main name tag with your car year, make and model, is an additional \$6 per dangle bar.

GaSCar Logo Items

Point of contact to get shirts, etc. embroidered with the GaSCar logo is Susan Meloan, 5030 Fieldcrest Dr. N Augusta, SC. Very reasonable. 803-634-2570.
