

EL SANTUARIO DE LOS POBLADORES- DEDICATED TO THE MYSTERIES OF THE ROSARY.

Our promise and dedication towards completing the Prayer Shrine in honor of Our Lady If Guadalupe and the Mysteries of the Rosary perseveres and each day brings us closer to its completion.

We have been involved in different phases of the undertaking, including the making of more adobes to finish the final quadrant housing the Glorious Mysteries. Kneelers and benches have been added and placement of the dedication plaques is one of our top priorities.

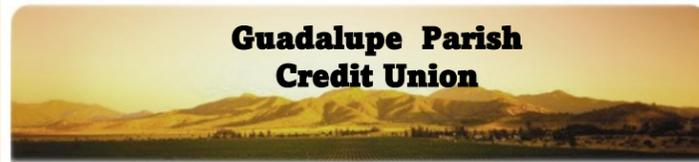

We have included an illustration of the Dedication Plaques to give everyone an image of how they will look in their appropriate placement in the shrine area.

In addition to the mission statues surrounding the Shrine and the statue of Our Lady Of Guadalupe and ST. Juan Diego at the entrance, walkways will lead visitors to various areas of interest. The placement of new trees will also be available to contributors who are interested in dedicating a tree in memory of a family member similar to what now exists on the New Veterans Boulevard entering the Village of Conejos.

We want to acknowledge the generous contributions we have received to keep the project moving along. Your continued support and prayers are greatly appreciated. **Tours will be available Please call the church in advance , if possible. Thank You!**

MASS READING REFLECTION

**FIRST READING
Sir 27:30
[The Need For Forgiveness]**

The Jews knew the directives of Sirach, and Psalm 103 (today's Responsorial Psalm) as well as the challenge of Scripture to be holy as God holy! "Wrath and anger are hateful things." But they also had the civil law of talion: "An eye for an eye." Many were selective. Soothing their consciences by selecting that civil law for personal behavior, they ignored the best in their Scriptures.

Christians are also tempted to be selective. We must realize that listening to this Scripture on Sunday and yet practicing any kind of vendetta is inconsistent and un-Christian.

**SECOND READING
Rom 14:7-9
[God's Partners]**

Paul offers the Biblical, outlook on humans beings. They are not autonomous. They are God's stewards living with him in a sacred partnership (covenant). It is a beautiful philosophy of life.

As Gods partners, we can and must develop potentialities, but we remain responsible to the Lord. Do we develop potential for love, as suggested in the Frist Reading and the Gospel?

TWENTY-24TH SUNDAY IN ORDINARY TIME

Theme: Be Kind and Merciful

Be Kind and Merciful! The lesson of today may run counter to certain opinions on what it means to be "a man," "a strong person," a person who stands for principles that are not for sale. Where do the values of the Lord Jesus fit into this traditional picture of strong and un-yielding personhood? One thing is certain: our Lord did not come to destroy human nature; he came to elevate it, to preserve the best in us, to ennoble us to what a Christian man or woman should be.

Hatred, revenge, and anger are human vices. The law of talion, "an eye for eye." is even Old Testament ethics, but it is not Christian. Jesus refers to Old Testament ethics, and states: "I say to you "(Gospel). Have a realistic look at yourself and check where your personality should Christianized." The "human" in us may be vengeful, but God, whom we should follow, is different: "The Lord is kind and merciful, slow to anger and rich in compassion" (Responsorial Psalm).
