## BILL MCCLURE NAMED TO SOFTWARE AND INTERNET ADVISORY COUNCIL

Novato, CA, January 23, 2018– The ExecRanks is pleased to announce that Bill McClure has been chosen to serve on the Software and Internet Advisory Council.

The ExecRanks, currently No. 591 on INC Magazine’s 36th annual Inc. 5000 Fastest Growing Companies in the United States, the 9th Fastest Growing Private Company in the San Francisco Bay Area, and was a Silver Award winner in the Fastest Growing Company of the Year, is proud to announce the appointment of Bill McClure to the Software and Internet Advisory Council.

McClure, a former St Johns County Commissioner from 2012 – 2016, is credited with spearheading initiatives which:

- refinanced county debt saving taxpayers over \$30 million dollars,
- repealed or replaced more than 300 regulations
- increased commercial incentives rather than residential growth, which netted an increase in more than 11,000 jobs in SJC, and earned a nation’s 5<sup>th</sup> place ranking by Money Magazine for Job Creation
- moved more taxpayer money to transportation and public safety in the budget
- created a platform for the school board to raise money to replace a 2 million dollar per year lease for portable buildings

Prior to becoming a public leader, McClure founded several software companies and still holds patents and trademarks in the Healthcare, Insurance & Information Technology sectors.

*“I am happy to be chosen to participate with my peers in the industry who are interested in my technology background. I will share the good and the bad about building applications in todays rapidly moving tech environment.”, said McClure*
