KIWANIS MEETING OF August 14th, 2017

It was Weber family Monday with Emmet, Dave, Dave's wife Laura, and Dave's three sons all at our meeting. Henry Weber, Dave's 13 year old son who is a 7th grade student in De Pere, was our program speaker. Henry gave an outstanding presentation with a slide show titled "How does exercise affect your brain?" based on a two week camp that he attended at Northwestern University on brain science. After the slide show Henry answered our questions, showing the knowledge he acquired at his course. An outstanding job by Henry and a son for Dave to be proud of.

Our lunch consisted of corn, mashed potatoes, and what I would have called pieces of meat to put over the potatoes. But a member who knows about fine dining (Dal) correctly explained that the meat was sirloin tips. A nice meal.

Our songs had a sports theme with "On Kiwanis" to the tune of "On Wisconsin"----"Take Me Out to the Ballgame"----and, "The Packer Fight Song".

Happy dollars from: Joe, who brought a prospective member as his guest----Bill, who visited the Napa Valley and the Silicon Valley and is saving up for a visit to the Fox River Valley---Dave, who told about a

family trip to northern Wisconsin---and Pat, who thanked Rick for leading our meeting last week.

IMPORTANT REMINDER---There will be a Board Meeting at 11:00 am this Monday August 21, to discuss the options for the future of our club. All Board members, and all other interested members, should make it a priority to attend.
