Quotes:

“Katelyn is outstanding. Works hard, has a good attitude. She is pleasant to work with and asks interesting questions and makes useful comments in our calculus class. She is a self starter. I highly endorse her for the Anchor Scholarship.” **Richard Noren** - Associate Professor

“Thank you so much for supporting me in my pursuit for a higher education. Your generosity means the world to me, and I hope when I am finished with my schooling that I will be able to help others. I will strive to learn all that I can, and follow a successful career path.” **Katelyn**
