

TULARE COUNTY FAIR

The Tulare County Fair began in 1915 and serves the community through local 4-H and FFA youth to show and sell livestock, demonstrate club projects and display their arts and crafts.

This year's Fair will be a platform for the county to celebrate the vast commodities that are produced in the 2nd largest agriculture county in the State. The Fair offers sponsors and vendors a diverse demographic with the large Tulare County population.

The Tulare County Fair is a fun, affordable, educational and safe event for the whole family to enjoy traditional fair competitions, thrill rides, festival-style entertainment, hands-on family activities and specialty foods.
