

Liars, Traitors, & Perverts

by RoseAnn Salanitri

Since the most important election in decades is days away, at the risk of sounding radical, it is more than appropriate to put political correctness aside to say what needs to be said. It is amazing when people are amazed when a liar lies. That's what liars do. They lie. John 8:44 defines liars this way:

You are of your father the devil, and your will is to do your father's desires. He was a murderer from the beginning, and does not stand in the truth, because there is no truth in him. When he lies, he speaks out of his own character, for he is a liar and the father of lies. (Not my words: God's.)

This verse clearly makes the connection between the devil's disciples and those of our Creator God. While not all of the devil's disciples take part in satanic rituals, their lives demonstrate where their allegiance lies (pardon the pun). This verse also tells us that we can expect them to be murderers as well. This includes supporters of abortion - especially those who support the atrocity of partial birth abortion, like Hillary Rodham Clinton. This modern day Jezebel is a well-known liar with a reputation for intimidation, fits of anger, rumors of convenient murders, supporter of partial-birth abortion, and even treason.

The constitutional definition for treason states:

Treason against the United States, shall consist only in levying war against them, or in adhering to their enemies, giving them aid and comfort...(Article III, Section 3. Emphasis mine.)

A recent WikiLeaks revelation involving an email exchange between John Podesta and Hillary Clinton made it clear that both acknowledged the financial and logistical support Saudi Arabia and Qatar were providing for ISIS as well as other radical Islamic states. It stated:

Western intelligence, US intelligence sources in the region (referring to Saudi Arabia and Qatar)...providing clandestine financial and logistical support to ISIL (ISIS) and other radical Sunni groups (a/k/a radical Islamic terrorists) in the region.

Unfortunately, knowing full well the habits of these countries, the weapons deals were approved, but not until these two nations contributed substantial amounts of money to the Clinton Foundation. Specifically, \$10,000,000 and \$25,000,000 from Saudi Arabia and \$1,000,000 and \$5,000,000 from Qatar. Let me make this clear. Hillary Clinton and John Podesta knew that Saudi Arabia and Qatar were providing help to ISIS, but they still sent them weapons after receiving money from these nations. Again, America, because it can't be stated clearly enough: HRC accepted money from nations she knew were supplying help to ISIS and then sent these same nations weapons! It is not a

stretch to say that approving weapons deals for states aiding enemy combatants conforms to the definition of treason by giving them aid and comfort. An ongoing FBI investigation under Title 18 should be enough to disqualify her from running for the presidency and certainly evidence of treason is as well.

Frankly, it is not just insulting that a person exhibiting such "deplorable" traits and prosecutable actions has the audacity to run for any public office - never-the-less the presidency, it is also distressfully alarming that such a person is doing well in the polls. While I may shudder when I think of the future of this country under such an ignoble personality, I tremble when I think of the many Americans that are casting their vote for this true deplorable. Part of the reason may be that this person is also a pervert, who has managed to beguile many by twisting the truth.

Let me explain. The meaning of a perversion is not restricted to an unacceptable sexual practice. A perversion is also the act of taking something true and twisting it a bit to make it seem to be something else - like the devil did in the Garden of Eden when he tempted Eve, or in the desert when he tempted Christ by quoting Scripture but perverting its meaning. Hence, all that indulge in the practice of propaganda are really perverts at heart - and they are also those that do not value the truth because *the truth is not in them*.

Unfortunately, more Americans are like Eve rather than Christ, so they are succumbing to Clinton's perverted truths and the media's special brand of perversion that we have labeled as propaganda. These same Americans have shunned Donald Trump because of his unbecoming behavior, but they have failed to recognize the real evil that is pandering for their vote. Trump is obviously a sinner - like the rest of us. On the other hand, Hillary's character traits indicate that her father is the same person her hero, Saul Alinsky, dedicated his book to: none other than he that rules the Nether World.

While many Americans seem confused about casting their vote, for me the choice is clear. I can either vote for a sinner who needs a Savior, or a lying, traitorous, pervert. On the world's stage the choice may be confusing, but in the spiritual realm, it is more than clear. Choose wisely, America.
