**Box Alarm/Communications:**

DC Boyle and DC Malone reported on Box alarm in Peotone with concurrent call in Monee. Issues with CAD recommends did not match box cards, we need to find ways to make CAD more in line with box cards. For Depts on MABAS borders, make sure you don't use all equipment from an outside division, try using equal amounts from both divisions. It would be helpful for Orland Dispatch to have access to Will County CAD. Also, Change of quarters need to be used first. The CAD recommends are calling for other units instead of the Change companies.
