

A fireworks show in the City of Washington has been enjoyed by citizens of the area for decades at the Washington Fairgrounds on July 4th.

This event is produced by the American Legion Post 218 in Washington, with the City of Washington providing the venue along with Police and Fire Department Services.

All other revenues are provided through company and community donations. All expenses in producing this event not covered by those donations are assumed by the Washington American Legion.

**DON'T BE LEFT OUT OF
THIS SPECTACULAR
EVENT!**

**American Legion
Post 218
“STAR SPANGLED 4 TH”
Sponsorship Opportunities**

*American Legion Post 218 is changing
and growing the 4th of July
event in an exciting way.*

The initial change was to secure a long-term, local vendor to provide the fireworks display and after the bidding process, Fazz Holding LLC will be our pyrotechnics vendor.

With the ability to work directly with our vendor and adding features, We feel strongly that this event will have a spectacular display, rivaling any show in this area. The next step was to rebrand the event and market more effectively to encourage greater attendance. The event is now titled, the “Star-Spangled 4th ” and will now include a Kids Zone with inflatable rides, entertainment on the Main Stage and expanded food options. With this anticipated growth, we are offering exciting sponsorship opportunities for organizations to partner with us. We foresee companies involved with this event will receive a positive return on their investment.

*We hope you will
join us for this
spectacular event.*
