# HAPPY NEW YEAR 2019

Our Dear Friends and Partners,

## Greetings to you all from a cold and snowy Serbia!

Well, over the past two weeks we have very low temperatures with snow and the weather forecast for this week is snow, too so it's a real winter. Every season has its charm, and so does winter. The side effects are lots arm-ache and backache from shovelling all the snow.

## Christmas outreach in schools

In the second half of December we had amazing Christmas outreach in five Kraljevo schools. In each school we had whole lessons and were able freely to present the Gospel to the children, their teachers and head teachers, to teach them about Jesus and how to accept Him in their hearts. At the end of each lesson we gave to every child a Christmas shoebox parcel donated to us by Samaritan's Purse from Germany, and an evangelistic booklet. Through this outreach we reached over 400 children with the Gospel.

It created an opportunity to many great and significant conversations with teachers and headteachers, too. We have open doors and God's favour there, which is an absolute miracle, as we are the only church in our country that can do that.

We did our Christmas program in Kraljevo state nursery, too.

## Christmas outreach in our church

On 5th and 6th of January (on 7th of January we celebrate Christmas) we organised two special Christmas services in Kraljevo and one in Čačak. Many new people come which makes us very happy, and good things is this time we had a space for them to sit comfortably. Gospel was presented. They were given Christian wall calendars with Bible verses for each month and books, and children received Christmas presents and evangelistic booklets. Through this outreach and by visiting families individually in their homes we reached over 130 children with the Gospel.

## Building work in Kraljevo

From September we are in our new church building. We furnished the level floor and our main hall for services is fully functioning. Upstairs is at present completely empty. Upstairs we have a minor hall, four rooms, kitchen and bathroom. We plan to furnish it this year to make it fully functional. Some rooms will be used as offices and some will be multifunctional, ready to be used as guests rooms, too. This year we also plan to put a nice chrome cross at the top of our church building, which is very important in our context. For these jobs we need approximately £12.000. Please, pray for this

need so that God would provide in order for us to use the upstairs, too. Thank you very much for all your generosity.

### Our dear guests

Roy and Heather Harris from Power House Church Doncaster, our loyal and faithful friends already 30 years blessed us with their visit and ministry in November. They ministered in Kraljevo, Čačak and Užice and touched our people significantly with their love and care.

Dragan Končarević, the Serbian national director of Gideons International visited us with his family in December and inspired us with amazing testimonies to witness and give New Testaments, to sow the seeds of the Gospel wherever we are able to.

### Building work in Čačak

Our sister Cana, in whose house we have our regular meetings in Čačak has given whole floor upstairs of her house to use for our church meetings and activities. It was empty

and unfinished without even any doors or windows. So now we are in the process of renovation. Once we finished we will have our service hall there, kitchen and bathroom. So far all windows and doors are in and we've done insulation and painting of the whole house outside, we put in a burn heater (using wood pellets) and radiators, so central heating is now already fully functional. Now the next jobs are - painting and decorating of all inside walls, put in laminate flooring, tiles on the floor, and then to furnish it.

## Daughters of the King Conference

The worship was fantastic.

Serbian national Daughters of the King Conference was held at the beginning of November in Leskovac, south Serbia. Over 300 women enjoyed amazing prophetic and teaching ministry by two guest speakers from America. Sara is part of the board of DOK, and this year she led the whole program.

**Thank you very much** for your prayers, we need them more than you can imagine, and for your support. Thank for your investment in saving souls in central Serbia.

God bless you,

Sasha & Sara
