

Transparency Attestation Form (45 CFR § 170.523(k)(2))

The 2015 Edition Final Rule includes a new transparency attestation requirement that is applicable to all health IT developers whose product(s) have been issued a 2014 Edition certification and will be issued a 2015 Edition certification. A developer only needs to respond to the attestation once, even if it has multiple product certifications. All health IT developers must make one of the following attestations:

In the affirmative:

In support of enhanced marketplace transparency and visibility into the costs and performance of certified health IT products and services, and the business practices of health IT developers, **Mitchell & McCormick, Inc.** hereby attests that it will provide in a timely manner, in plain writing, and in a manner calculated to inform, any part (including all) of the information required to be disclosed under § 170.523(k)(1) under the following circumstances:

- **To all persons who request such information.**
- **To all persons who request or receive a quotation**, estimate, description of services, or other assertion or information from Mitchell & McCormick, Inc. in connection with any certified health IT or any capabilities thereof.
- **To all customers prior to providing or entering into any agreement** to provide any certified health IT or related product or service (including subsequent updates, add-ons, or additional products or services during the course of an on-going agreement).
