Greyhounds of the Verde Valley's mission is to place our dogs in a loving forever home.

We encourage our foster and adoptive families to read greyhound books like:

- Adopting the Racing Greyhound by Cynthia Branigan.
- Greyhounds, A Complete Pet Owners Manual by C. Caroline Coile Ph.D.
- Retired Racing Greyhounds for Dummies by Lee Livingood.
- Greyhound Guide by Claudia J. Presto
- Veterinary Advice for Greyhound Owners by J. Kohnke

We want your experience with your greyhound(s) to be pleasant for both you and the dog(s). We are available to assist in any way we can to accomplish this goal. Please call if you have questions, concerns, or needs. We have a wealth of resources available to assist you and the greyhound. Greyhounds have special veterinary needs different from other dogs. Please talk with your vet to be sure they are aware of the greyhound's special system. We can provide greyhound knowledgeable vets in your area if you do not have a vet who is familiar with the greyhounds.
