Welcome to the February/March issue of Surrey News

It never ceases to amaze me just how many different activities and events there are nowadays for autistic children and young people.

When my son was young, there were virtually no ‘autism-friendly’ facilities or sessions in mainstream locations. Looking at this issue of the newsletter alone, families can now take their children or young people to adapted events from gaming venues and museums through to trampoline facilities and railways, and find places to try out activities such as singing, drama, football, yoga – and a host of other activities.

There is, of course, still a long way to go to make our world fully inclusive and accessible to autistic people, with access to appropriate education, health and employment opportunities top of the list.

This is why our conference, in this our 25th anniversary year, is focused on Autism Past, Present and Future, and also why the NAS continues to campaign to improve services and support for children and adults alike.

If you want to be part of the difference, there are lots of ways to be involved, by taking part in Branch activities or fundraising by doing something challenging – or just fun - during World Autism Awareness Week which starts on 30th March.

Branch Conference 2020: Autism – Past, Present and Future
There are still some tickets available for the next NAS Surrey Branch conference on Saturday 16th May 2020 at the University of Surrey in Guildford, from 10.00 a.m. to 4.00 p.m. As we’re celebrating the 25th anniversary of the Surrey Branch being formed this year, we will be looking at how understanding of autism has developed over the last 25 years and the latest research, approaches and issues around today. We will be thinking about the future too, for individuals with autism and the wider autism world.

Our main speakers are Carol Povey, Director of the NAS Centre for Autism and Ros Blackburn, an autistic adult. There will also be workshops on some of the current big issues in autism: mental health, Pathological Demand Avoidance, girls with autism, managing difficult behaviours, employment, and adult social care.

Tickets are subsidised for parents/carers and autistic people and cost just £35. Tickets for professionals are £70 each. To book go to: https://bit.ly/2Uig8AF

Free SEN Advice Sessions
We are hosting another 1:1 SEN advice clinic on Saturday 14th March in Leatherhead. This is a chance to talk to a SEN advocate about your child’s EHCP, Annual Review or potential appeal to Tribunal.

The advice clinic is run by Tanya Williams, founder of www.senadvice.com who is a SEN advocate and SOS!SEN volunteer. She worked for over 20 years as a litigation lawyer, and is also a mum to two young people with neurodiverse conditions. Through the NAS Surrey Branch, Tanya is offering free one-off 40 minute 1:1 sessions for parents/carers of autistic young people in Surrey to give you advice on next steps or possible ways forward. Please note that due to time constraints, Tanya is unable to provide detailed advice on individual EHCPs. She is also unable to assist anyone who already has legal aid or other solicitors already acting for them.

Places must be booked and will be allocated on a first-come, first-served basis. For a booking form please email events@nassurreybranch.org with “SEN Advice” in the subject line. You will also be sent a questionnaire to complete ahead of the session.

World Autism Awareness Week
30th March – 5th April 2020 is World Autism Awareness Week – a chance for people who are autistic, or who support someone with autism, to inform those who don’t understand. It’s also a good opportunity to raise money for the NAS and there are loads of ideas on the website of how you can help. Find out how you can get involved here: https://www.autism.org.uk/get-involved/world-autism-awareness-week.aspx

NAS Post-Diagnosis Four-Day Course
For parents of children who have recently had a diagnosis, the NAS runs a four-day ‘Stepping up for Autism’ course. The next one runs over four full days in May and June and is for parent/carers who want to understand more about the diagnosis and get practical advice.

To find out about booking contact Jo Barton-Warner on 01483 521744 or email SEResourcecentres@nas.org.uk The course is available to parents of primary school age children with a diagnosis living in Surrey.
NAS Workshops for Parents and Carers
The NAS Surrey Service, run by professionals, is running a series of workshops for parents and carers of children and young people who have a diagnosis of autism or are seeking one.

Upcoming workshops include:
- Social Skills – 10.00am – 1.00pm Weds 11th March, Spelthorne
- Visual Support – 10.00am – 1.00pm Weds 18th March, Godalming
- Talking Autism – 10.30am – 12.30am 29th April, Godalming

Places must be booked in advance. To book or find out about other workshops, contact SEResourcecentres@nas.org.uk

Autism-Friendly Gaming Event in Farnborough
Overworld is a gaming centre designed to encourage inclusion where youngsters can play against or with friends, as well as developing a better understanding of potential digital media careers and activities based around E-sports.

Through the NAS Surrey Branch, Overworld is offering autistic young people and their siblings interested in gaming the opportunity to come along for free on 22nd March (for children age 7-12) and 3rd May (for young people age 13-17) from 11.00am – 1.00 pm.

Young people will be able to play video games, get involved in future tournaments aimed specifically towards SEN and receive advice from professional gamers and YouTubers. Staff will be available to discuss positive aspects of gaming and answer questions. NB: parents remain responsible for their children/young people at all times.

Booking is essential via Eventbrite:

If you have any questions, contact jo.dilworth@gmail.com. 25 places are available in each session and are allocated on a first come, first served basis.

Consultation on Additional ASC Places in Reigate
Surrey County Council, in collaboration with Brooklands School in Reigate, is looking at how best to provide additional specialist school places in the local area.

The proposal is to expand Brooklands School to create additional provision for children with a primary need of Autism using an existing school site on Alexander Road in Reigate. It is proposed that the expansion will provide an additional 70 places. The school would expand its provision incrementally over a 3 - 4 year period, to eventually reach full capacity.

Surrey County Council and Brooklands School would like to seek your views on this proposal. The consultation is open now and closes on Friday 14 February 2020.

A public meeting is planned at Brooklands School on Wednesday 5 February 2020 from 5.30pm - 6.30pm. The address is 27 Wray Park Road, Reigate, RH2 0DF. All are welcome to attend. For details, go to: https://www.surreysays.co.uk/csf/proposal-to-expand-brooklands-specialist-school/
Haslemere Museum Session for Children with Autism
Haslemere Educational Museum is holding a special early opening for families with children who have Autism. The museum holds collections of natural history, human history and geology, including 20,000 fossils, 5,000 rocks and minerals and a large collection of mammals, reptiles, birds, shells and insects. The ‘Early Birds’ session is from 9am – 10am on Wednesday 19th February. Booking essential at: http://www.haslemeremuseum.co.uk/whatson/whatson.html

Drop-in Event for Parents of 0 – 25 year Olds with Additional Needs

**Freemantles School Conference in Woking**

The Freemantles School conference for parent/carers and professionals in Woking on 23rd March is now open for bookings. The key-note speaker will once again be Peter Vermeulen who will deliver a presentation that will explore how we can increase the wellbeing of autistic people throughout the lifespan, from early childhood into late adulthood. The conference will explore ways of assessing wellbeing and how to increase it, illustrated with the story of a boy diagnosed in the eighties who is now a happy adult. His story will show how we can move to ‘neuro-harmony’, where autistic and non-autistic people can live in harmony.

Peter Vermeulen holds a MSc and PhD in Psychology and Educational Sciences and has worked with people with Autism and their families for more than 30 years. He is the founder of ‘Autism in Context’ and a Senior lecturer at Autisme Centraal in Belgium, a training and education centre for autism.

To request a booking form, go to [www.freemantles.surrey.sch.uk](http://www.freemantles.surrey.sch.uk), call: 01483 545680 or email: conference@freemantles.surrey.sch.uk  Cost: Professionals: £150, Parents: £75. Bookings close Friday 13th March 2020.

**Thank You to Banstead Rotary Club**

Our thanks go once again to Banstead Rotary Club for their kind donation of £500, which is a share of their Christmas collection for many local charities. This money will make a real difference to the support we can offer families.

Research into Children's Sleep

A researcher from the UCL Institute of Education Sleep Lab (www.lilaslab.com/) is looking for people to take part in a research project on sleep and cognitive development. Jo Fall is a researcher studying for a MSc in the Psychology of Education. She lives in Godalming and volunteers at the National Autistic Society, and is looking for participants in Surrey and North East Hampshire to take part this term.

If you take part, Jo will come to your home at an agreed time for up to an hour after school or on a Saturday. Your child will be asked to complete cognitive tests that will measure their non-verbal IQ, memory and attention skills.

You will receive a report on your child’s sleep patterns (including bed time, wake up time, sleep duration, sleep quality, number and duration of night wakenings). The results of cognitive assessments can also be provided. All data collected from you and your child will be kept strictly confidential. Please contact Jo directly if you are interested or have any questions: email: Joanne.fall.18@ucl.ac.uk tel: 07921 084867.

Conference on Mental Health and Autism

Autism Learns is running a one-day seminar in London on Friday 20th March. It is designed to equip parents, carers and professionals with the tools to maintain good mental health in autistic children and young adults, plus the knowledge to recognise and deal with any difficulties as soon as they arise. You will learn:

- Strategies for nurturing mental wellbeing at home and school
- How to prepare for, and get through, the teenage years
- Ways to build and maintain self esteem
- How to spot the warning signs of mental health difficulties
- Effective therapies and approaches
- How to identify the causes of anxiety
- Tips to manage anxiety, stress and depression
- Supporting autistic students with mental health issues

Tickets cost from £49 for parent/carers. To book go to https://www.eventbrite.co.uk/e/autism-learns-mental-health-wellbeing-london-tickets-91105253265
LEGO Club for Autistic Children Near Redhill
There is a new Lego Club for autistic children age 5+ at Priory Farm, South Nutfield, near Redhill which meets on Tuesdays at 3.30pm. Children will learn to follow the Club rules, but can also do freestyle building or take part in small group work. If they are overwhelmed, they can go out. The club is located at the back of the garden centre in a quiet corner and is delivered by Ola Malenska, the founder of Caledoscope CIC, who is a trained LEGO therapist and has an autistic son. No diagnosis necessary. To book go to Eventbrite https://bit.ly/2OgHmDY

Accessibility Information
AccessAble is the new name for DisabledGo, a UK-wide website with information for people with disabilities about thousands of shops and shopping centres, stations, libraries, hospitals, sports centres, pubs, restaurants and other public buildings. Go to https://www.accessable.co.uk/ or download the AccessAble app for your phone.

It includes photographs of the buildings, information about access to blue badge parking spaces, disabled toilets and other facilities, including quiet rooms and changing places (rooms with hoists and adult sized changing tables for adults with severe disabilities). It also includes information about accessible events nationwide.

The service has worked with Woking Borough Council, so there is particularly detailed information about the Woking area: https://www.accessable.co.uk/woking-borough-council

Guildford Friary shopping centre has just opened a new area with a disabled toilet, changing places toilet and parent and child room, as well as a quiet room for people with sensory issues.

‘The Expert Parent Programme’ – Free Event 21st March
At time of going to press, there were a few tickets left for a free Family Voice Surrey event for parent carers called The Expert Parent Programme on Sat 21st March in Oxted.

It is a training and information programme for parent carers of children who are disabled, to build resilience and confidence when engaging with health professionals, led by facilitators Gail Bedding and Grainne Saunders, both trained by the Council for Disabled Children.

The programme consists of a one-day workshop, an e-learning package and online resources. It is designed help participants with resilience, the skills & knowledge to build effective relationships with health professionals, a greater understanding of how the heath system works, feeling less isolated and having an understanding of what is meant by outcomes and why they’re so important. The programme was developed with support from the Department of Health.

Tea, coffee and biscuits are provided from 9.30am, and the workshop training starts at 10.00am. https://www.eventbrite.co.uk/e/parent-carer-training-day-the-expert-parent-programme-tickets-90822222713
Family Voice Report on SEND School Transport Problems
In September 2019, the parent carer forum Family Voice Surrey received a huge number of calls, emails and messages through its coordinators and at school gates etc regarding concerns about SEND Transport.

In response to this, they launched a short survey to try and understand what the issues were, which many readers will have contributed to.

Soon afterwards, Surrey County Council launched a much broader consultation into all home to school travel (for all children, with or without SEND). Family Voice promoted the consultation and attendance at the events SCC put on and listened to parent voices about the consultations.

This work has culminated in two reports, each addressing a slightly different aspect of SEND transport which have been presented these to Surrey County Council.

Surrey County Council has not yet published its report, but you can read Family Voice Surrey’s reports and evidence on their website here: https://www.familyvoicesurrey.org/single-post/2019/12/20/FVS-Transport-Reports---December-2019

About NAS Surrey Branch

NAS Surrey Branch is a volunteer-run, support group for the parents of autistic children and adults. It’s FREE to join (although a small donation is appreciated) and we have around 2,000 members. We hold regular support group meetings, organise social events and special interest groups and represent parents in meetings with health, education and social services. We host an active online forum and produce this email newsletter every two months. To join, go to www.nassurreybranch.org or email info@nassurreybranch.org to request a membership form. If you are a member of the National Autistic Society at national level, you can nominate us to receive part of your subscription by emailing supportercare@nas.org.uk.

The National Autistic Society works for autistic people and runs a wide range of services such as schools, clubs and adult centres. It has over 2,000 members and 100 branches and works in partnership with more than 50 local autism societies. The NAS exists to transform lives by being a trusted source of support and practical advice for autistic people and their families at key stages in life and change attitudes by working with businesses, policy-makers, autism professionals and the public to reduce isolation and open up opportunities in society as a whole.

The views expressed in Surrey News are not necessarily those of the National Autistic Society, and reference to any specific services or approaches to autism does not imply endorsement. All material is copyright NAS Surrey Branch and cannot be reproduced without permission.
