## **Wisconsin Right To Life PAC Endorses Wanggaard**

Wanggaard Pledges to Continue to Protect the Sanctity of Life

**Sturtevant** – On Tuesday, the Wisconsin Right to Life PAC endorsed Van Wanggaard in his bid to retake the 21<sup>st</sup> State Senate District.

“As a father, and now a grandfather, I’m honored to receive the endorsement of the Wisconsin Right to Life PAC,” said Wanggaard. “I’m proud of my 100% pro-life voting record and I will continue to stand up for families and protect human life.”

During his time in the State Senate, Wanggaard helped pass measures that protected the sanctity of human life including the Coercive and Webcam Abortion Prevention Act and a law prohibiting state health exchanges from funding abortion. Because of his principled stand on life issues, Van was the number one target of Planned Parenthood and NARAL in the recall elections.

For over 40 years Wisconsin Right to Life has been 100% committed to saving lives. The vision of Wisconsin Right to Life is to touch hearts and minds so that all will cherish human life. They work to create a society in which every person’s right to life is secure.

Over 70 state and local officials have endorsed Wanggaard in his bid to retake the 21<sup>st</sup> Senate District, including Congressman Paul Ryan, Speaker Robin Vos, Representative Samantha Kerkman, and Representative Tom Weatherston.
