

Baiata Bird Sanctuary

A 501 3 C Corporation

We welcome visitors to our sanctuary. Please enjoy our beautiful exotic birds. Our birds love attention and appreciate your interest in them. Please talk to our birds, whistle with our birds, sing with our birds, and laugh with our birds. If you have questions about our birds, please ask one of our volunteers.

We love to talk about our birds and are there in the mornings from 9:15 AM- 10:15 AM and 3:30 PM- 4:30 PM. We are closed when Nature Scapes is closed.

RULES for VISITORS

We want you to enjoy our birds but for your safety and the safety of our birds, we ask you to observe the following requests:

1. Please leave the cage doors shut at all times.
2. Please leave birds on their perches at all times.
3. Please do not intrude in the personal space of our birds, using about 20 inches.
Some of our formally tame birds are bonding and may become aggressive.
4. Please do not feed our birds...their diet is carefully regulated.
5. Please do not enter the potting house.
6. Please supervise your young children around the birds.
