

BACK UP WASHERS

Part Number	Rivet Diameter	Material	Outside Diameter	Inside Diameter	Thickness
WASA6-1/2	3/16"	Aluminum	0.500	.194±.003	0.055±.003
WASA4-1/2	1/8"	Aluminum	0.500	.129±.003	0.055±.003
WASA6	3/16"	Aluminum	0.375	.194±.003	0.055±.003
WASA4	1/8"	Aluminum	0.375	.129±.003	0.055±.003
WASS6-1/2	3/16"	Steel	0.500	.194±.003	0.055±.003
WASS6	3/16"	Steel	0.375	.194±.003	0.055±.003
WASS4	1/8"	Steel	0.375	.129±.003	0.055±.003

Back-up washers are recommended when the materials being riveted are too soft (plastics) or have irregular hole sizes or shapes (slotted holes or ejector pin holes). Available in Aluminium with Mill Finish or Steel with Zinc Plating
