Choose one of the pictures below and write a story using description. Each picture has a sentence, which you can use to begin, or you can write your own. There are also prompt questions to help you.

Can you describe using your senses? You could imagine you are in the picture or that you are looking at the scene before you.

Think about what you can see, hear, smell, touch and how you feel. Remember to use adjectives and expanded noun phrases to describe e.g. the colourful sky or the boy had a bright, blue cap. Also use co-ordination or subordination to extend your sentences e.g. but, because.
