Dear Members,

Here we are going into the sixth month of the year; half the year has passed and there doesn't seem to be much change in the membership attendance at our General Meetings. I've advocated for PRUMA for many years; and at the beginning of the year, I asked that you all mark your calendars to remind yourselves of the one day a month that we can come together as a whole and make PRUMA relevant in today's times and the future. I realize we have an aging membership, but as I said earlier, I'm sure for those that are able, they would like to get out and with the help of family and make the trip for fellowship and our potluck luncheon!

We would also like to see more attendance at our dance functions. Doesn't anyone want to support our Club and those musicians that take the time and effort to come and provide some of the best entertainment for the Puerto Rican community? We will be having a Scholarship Award and 80th Anniversary dance on July 19. This dance is not only to raise funds for our scholarships but to celebrate 80 years of the Puerto Rican Union of Mutual Aid, Inc. (PRUMA). We the Board of PRUMA hope that all members will step up and help us to continue to have an existence in the future.
