VaYakhel + P'kudei

## Witness Works & Words

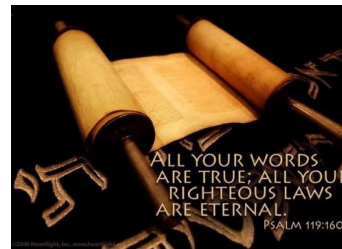

- Specific detailed tangible “witness works & words” are ordered by ADONAI to insure we remember **Redemptive Relationship**
- The **Mishkan, Furnishings, Holy Garments** are some of the “works” that witness **PapaGOD** desires relationship. **HaShem’s** loving orders makes it possible for us to come, enter in ... draw near to **The Especially Holy Place!**

## “As ADONAI Ordered ...”

The double portion— **VaYakhel** (And he assembled) + **P’Kudei** (Accountings of, Records) is our **Torah Teaching Truth** this **Shabbat** [**Parasha #22 + Parasha #23**].

The **Mishkan**, all its **Furnishings**, the **Holy Garments** for those to **Serve ADONAI in the Holy Place** and the construction details may be a too brief summary of our

double parsha. Such **dry accountings of records** would widely

*“Whoever listens to a witness becomes a witness.”*

Elie Wiesel, Shoah Survivor

miss the passion of **Living Principles the**

**Living Word** contains for us today.

Materials gathered, used, artfully woven into the fabric of **HaShem’s Dwelling Place** are **NOT** “ordered” by **Moshe** or **Spirit-filled B’tzal’el. 24** times in **VaYakhel+P’kudei** “**as ADONAI ordered**” repeats! **Love GOD. Love others. HaShem’s orders!**

## Witness Works & Words

Most of us have some keepsake that triggers a memory — “a stone of remembrance.” Your ring, anniversary date, birth pictures, lapel pin, trophy, password, special aromatic

food.

**Mitzvah**, from the root **tzav**, means **commandment. Mitzvah**, from the root **tzavta**, means **connection. Lovingly obey Divine**

orders establishes connection with **ADONAI**. Honor the **Sabbath**. Keep **The LORD’s Festivals**. These are commands for connection. Of **Whom** do you **witness** by your **works & words?**
