Because LCS is a non-profit ministry operating on the principle of faith, our tuition is kept as low as possible. Each family is encouraged to participate in our fundraising activities since tuition does not cover the full expense of educating a child at LCS. We use fundraisers and depend on tax-deductible gifts to help us meet our budget requirements.

- All books and workbooks are the property of LCS, if lost replacements must be purchased by the parent.
- Annual discount of \$500 per child for families with 2 or more full time students enrolled. (VPK & Elementary will be credited over a 10 month period. Preschool will be credited over a 12 month period.)
- Any student picked up late (after 6:00 p.m.) is charged \$1.00 per minute. Habitually late students (3 times) will be charged \$5.00 per minute.

Many activities and trips are provided such as swimming, picnics, bowling, roller-skating, movies, weekly field trips and much more.
