1. Go to HFSC.getomnify.com to create an account for your family/membership/lease.
2. Click on the button in the top right corner that says "Create Account."
3. Enter your email address and fill in the rest of your information. Create a password and click "Sign Up."

10. You are now booked in that time slot!

*****Please be aware, members are only allowed to sign up for one block per day in order to allow for maximum turnover and usage of the pool by all. Members also may not sign up for a time slot more than one week in advance. *****
