Spring Showcase

2021

A NOTE FROM THE DIRECTOR

Thank you all who came out today to support your dancers. They truly have worked so hard all year long for this performance and your support means everything to them. I have enjoyed working with every one of my students and cannot wait to see them shine on stage.

This year and last year have been quite difficult on everyone and we are just now starting to see some normalcy. I hope that this offers a clean and positive ending and a new beginning for everyone.

If you have enjoyed your time with us this year, please spread the word. We would love to have more students in the fall and really make our studio grow and blossom in this new location. At the back of this program, you will find all that we are offering this summer and our classes for next summer. I have a few promo codes to use as well; but hurry, you'll need to use them before next Sunday!

FRIENDLY REMINDERS

- Please feel free to take photos and or video of your dancers. Please NO FLASH. We will have a cameral running to catch it all for you as well!*
- Please give a BIG round of applause after each performance; these kids have worked so hard and deserve a loud audience after their performance.*
- Please remember to keep social distancing by spacing 2-3 seats in-between families.*
- There will be a 15-minute intermission and at that time the last-minute raffles will be taking place in the lobby. We'd also like to invite anyone up on stage to enjoy the dance party while keeping your mask on.*
- After the show, kids will be directed backstage to gather their things while one parent with a parent card may come back with them. For students 9 and under, please show your card to one of our backstage helpers to get them checked out.*
