Capabilities Statement

ABOUT US

Founded in 2008, Turf Innovations is a certified SDVOSB company based out of Indianapolis, IN. We specialize in projects with athletic fields, golf courses, and green spaces. We also serve as a federal contractor providing a variety of Utility, Construction, and Turf Maintenance equipment to Federal Agencies. With our extensive Turf Industry knowledge, customer service, and industry experience, we are committed to providing your next project or government procurement with superior service. Our goal is to share our knowledge and assist you with providing high performing turf equipment and consistent performing surface that exceeds expectation.

Dan Gamble, owner of Turf Innovations, has over 40 experience in the Turf Grass Industry. He has held the titles of Senior Sales Executive, Sales Manager, Golf Course Superintendent, Consultant, and currently holds a US patent. He served honorably in the military as a part of the 1st Air Cavalry Division in Vietnam combat infantry in 1969 to 1970. He is Bronze Star, Army Commendation Medal w/ V Device, and an Air Medal Recipient.
