May 25

- ◆ End of Second Semester
- ◆ Students Last Day
- ◆ Early Dismissal at 11:30 AM

May 30

- ◆ Report Cards Mailed

MAUREPAS STARS!

Bryce F. and Ava B. wowed the crowds with their starring roles in Livingston Parish Public Schools Talented Theater's version of Thornton Wilder's *Our Town*. Bryce, as the leading character called the stage manager, led the audience through the lives and loves, the births and deaths of Grover's Corners a fictional American small town set in the early 1900s. Ava, as the wise Mrs. Gibbs, played the adoring doctor's wife with complete confidence. To paraphrase the character Emily: I hope they understand how wonderful they were.

Melissa Anderson

CONGRATS ON RETIREMENT

Farewell Maurepas School. I will be retiring on May 25, the last day of this school year. I had never heard of Maurepas, Louisiana when I started teaching third grade in the Fall of 1987. I have come to know and love the community, school, and students. I never considered working at any other school even though I pass two of our parish schools twice a day on my 70-mile round trip trek each weekday. I hope to travel to places I've always wanted to go to and haven't been. And, I am even thinking of taking up hunting!

Cindy Stilley

Congratulations on your well deserved retirement, Mrs. Stilley. We wish you to travel the world, but don't forget to also travel, every now and then, a special 70-mile round trip trek to visit us.

Frederic Ledent

STANDARDIZED TEST INFO

Dear Parents,

The year is quickly flying by! This means our state's standardized test is coming up. Our school has been preparing for this and working hard for these upcoming tests.

We can make your child's test experience positive and successful by working together. Please take the time to do these little things and help your child reach their fullest potential:

- ◆ **Talk with your child about goals for this test.**
- ◆ **No cell phones or smart watches are allowed on campus during testing. The STATE department will confiscate phones and watches until all files are cleared for a possible testing breach.**
- ◆ **Make sure your child gets a healthy breakfast at home or at school on the morning of the test.**
- ◆ **Late students will make up missed sessions after lunch in the library. They will NOT be allowed to enter a testing session that has begun.**
- ◆ **Gently encourage your child to do their best and show your faith in them.**

Below you will find a list of dates your child will test based on their current grade.

- **April 30—May 4 is 3rd & 4th Grades (Monday-Friday) STRICTLY Timed**
- **April 30—May 3 – High School EOC Testing for Eng. I, Eng. II and Eng. III (Monday-Thursday) STRICTLY Timed**
- **May 7—10 – High School EOC Testing for US History, Biology and Geometry (Monday-Thursday) ALL will be STRICTLY Timed except biology**
- **May 14—15 – High School EOC testing for Algebra I (Monday-Tuesday) STRICTLY Timed**

Thank you for your help and support!

Monica Hutson

GREAT SOFTBALL SEASON

The softball team finished up a hard-fought season in the 2nd round of playoffs. The coaching staff is extremely proud of the year they've had and for coming in second in district play. A huge congratulations goes out to the following girls:
